Prior Governmental Experience: None

I am a driven and dedicated public servant currently managing the Public Works Operations Department for the City of Wood Village. Both the water system and wastewater systems are operated under my licenses, and I recently finished my last term to gain a Bachelor's in Public Administration. One of my final projects was creating an Operations and Maintenance Manual for Corbett Water District to utilize and build upon currently and in future years. With 12 years of small city government experience in my background I understand the value of preventative maintenance and what it takes to create a reliable system.

I've lived in Corbett for 7 years with my husband and 4 children. My family is driven to make Corbett a better place: my brother-in-law and father-in-law are on with the Corbett Fire Department, my mother-in-law works with TIP (Trauma Intervention Program), and my sister-in-law is a nurse at Mt. Hood Medical Center. Being on the board is where I see my expertise and experience being of most value to the community and families within it. I hope to use my experience in both the technical and management fields to help create an even more positive and prosperous Corbett.
