Lisa,

Please see the two attached Resolutions by the Pleasant Home Community Association and Cottrell Community Planning Organization. Please accept these resolutions for the record for the proposed Portland Water Bureau filtration project at Carpenter Lane.

These resolutions were voted on by 121 members of the community during an April 20th meeting, and signed by the chair of each respective organization. Both resolutions to oppose the proposed project were accepted by the attendees unanimously.

Also attached is a document sharing our comments on the proposed project, signed by both organizations. We did submit this through the online form on 4/21, but we wanted to make sure it was also submitted on our letterhead.

Thank you,
Mike Dawson, Chair (Cottrell CPO)
Jennifer Hart, Vice-Chair (Cottrell CPO)
Carol Bartha, Treasurer (Cottrell CPO)
Lauren Courter, Secretary (Cottrell CPO)
John Edmondson, Chair (Pleasant Home Community Association)
