Multnomah County is creating an earthquake-ready downtown river crossing.

BETTER – SAFER – CONNECTED

July 18, 2022

The purpose of the CTF is to serve as an advisory body to Multnomah County by:

- *Considering the potential environmental impacts of the alternatives*
- *Providing informed insights and opinions on the impacts being evaluated*
- *Discussing technical recommendations, suggesting measures to avoid, minimize or mitigate potential impacts*
- *Representing the interests, needs and opinions of community, business organizations and groups*
- *Considering input and information from other community members, stakeholders and interested parties.*

CTF members approached by interest groups other than their own constituencies are encouraged to share these conversations at CTF meetings. For information contact Sarah Hurwitz, County Communications Office at sarah.hurwitz@multco.us.
