The purpose of the CTF is to serve as an advisory body to Multnomah County by:

- Considering the potential environmental impacts of the alternatives
- Providing informed insights and opinions on the impacts being evaluated
- Discussing technical recommendations, suggesting measures to avoid, minimize or mitigate potential impacts
- Representing the interests, needs and opinions of community, business organizations and groups
- Considering input and information from other community members, stakeholders and interested parties.

CTF members approached by interest groups other than their own constituencies are encouraged to share these conversations at CTF meetings. For information contact Mike Pullen, County Communications Office at [mike.j.pullen@multco.us](mailto:mike.j.pullen@multco.us)
