

OFFICE OF SUSTAINABILITY 2025 WORK PLAN

CLIMATE CRISIS RESPONSE & RESILIENCE

- Complete the Climate Justice Plan and begin implementation.
- Coordinate and implement existing grants and pursue new funding opportunities to advance the county’s sustainability and climate resilience priorities.
- Complete Multnomah County fleet decarbonization strategy and begin implementation.
- Work with the Board of County Commissioners to establish a fuel tank financial responsibility ordinance and begin implementation.
- Continue to assess climate vulnerabilities and look for opportunities to strengthen the County’s ability to respond.

OFFICE OF SUSTAINABILITY 2025 WORK PLAN

ENERGY

- Secure strong permanent rules protecting vulnerable community members from the impacts of disconnection.
- Advocate for energy utility action that supports meeting their decarbonization targets while mitigating rate impacts and supporting community wellbeing and resilience.
- Secure stronger procedural equity requirements for utility processes.
- Work with County facilities and community-serving partners to deliver energy efficiency and renewable and resilient energy projects.

AIR QUALITY

- Establish an intergovernmental agreement with the City of Portland to enforce the leaf blower phase-out and continue outreach and education.
- Pursue more funding for wood stove exchange and look for ways to strengthen wood-burning regulations.
- Advocate for stronger regulation of diesel emissions.

ENGAGEMENT & PARTNERSHIPS

- Increase community connections from East County Learn Share Do Fair by adding additional events in Portland.
- Complete capital improvements at the CROPS farm.
- Continue convening the East County Resilience Network. Provide timely information on extreme weather and other emergencies, technical assistance, and build relationships between the network and county departments.
- Nurture and maintain partnerships with environmental justice communities and champion shared priorities at the legislature and in other policy-making spaces.
