Dear Land Use Planner,

As a longtime resident, I am alarmed by the potential installation of a cell tower in our neighborhood. This is not simply a matter of infrastructure — it's about preserving the health, beauty, and integrity of our community.

The lack of a proper health impact analysis is troubling. I urge you to consider industrial zones for this project and to organize a town hall so that our voices may be heard.

Please don't let this decision proceed without community input.

Thank you,
Tarsh
