Subject: Objection to Permit Request – Cellular Tower Installation (CASE FILE: T2-2025-0023)

CASE FILE: T2-2025-0023 LOCATION: [13937 & 14111 NW Springville Rd. Portland](#)

Map, Tax lot: 1N1W16C-00100 & 1N1W16C-00400

Dear Land Use Planner,

I am writing as a concerned citizen regarding the permit request for a cellular tower at [13937 & 14111 NW Springville Rd.](#) The absence of a localized environmental and health impact study is a major shortfall in the proposal.

Given the risk of property devaluation, aesthetic degradation, and community health concerns, I request a pause on the approval process until a public hearing is held and all documentation is disclosed for public review.

Please consider industrial or non-residential alternatives for such infrastructure.

Sincerely,
Milan Shah
