RE: Testimony in opposition to Case Files: T2-2025-0048

Ms. Estrin,

The Cottrell Community Planning Organization (CPO) is objecting to the approval of the Case file: T2-2025-0034. This application lacks details on the number of trailers, dark sky compliance, the site is located in area with SEC-H and Geological Hazard overlay area.

Furthermore, the existing trailers should have been removed from the site. The temporary permit expired (Sept. 7, 2025) two months ago. The applicant defied the Multnomah County Codes, therefore is not in compliance. We request a copy of the Planning Director's decision as soon as it becomes available.

Electronic Copy to: cottrellcpo@gmail.com and a mailed copy to Cottrell CPO address above.

Sincerely,

Cottrell Community Planning Organization
