Participating in HMIS Interagency Data Sharing

Northwest Social Service Connections (NWSSC)

These Agencies have entered into Inter-Agency Data Sharing Agreements so that participating agencies in Multnomah County will have the ability to share client level information electronically through the NWSSC HMIS. Not all agencies share the same client level data. Only select staff within a given agency have access. Agencies can join at any time. See NWSSC Client Privacy Notice (i.e. Uses & Disclosures) for more information.
