I'm running because our kids deserve better—and I have the experience to deliver. As a David Douglas graduate with immigrant roots, I understand our families' challenges—because I've lived them. I've been involved since I was a student, and have spent years fighting for investments that give every student—especially those from underrepresented backgrounds—a real chance to succeed. As I plan my family here, I'm committed to ensuring David Douglas provides the resources, safety, and opportunities all kids need.

I'm committed to ensuring safe, well-funded schools that give every student the tools to thrive. I directed \$60 million through PCL into after-school programs, youth of color, and foster youth. I have the relationships, values, and policy experience to fight for stronger student services, better early learning, and smarter budgeting—ensuring every dollar goes where it matters most.

**My priorities include:**

**Student Success & Safety** – Academic, mental health, and safety supports.

**Phonics & Early Literacy** – Strengthening reading skills early.

**Culturally Specific Learning** – Expanding materials reflecting our diverse students.

**Career & College Pathways** – Creating real diverse opportunities for students' futures.

**Special Education & Alternative Learning** – Fully funding essential services.

**Supporting Teachers** – Retaining educators, prioritizing classrooms, reducing class sizes.

**Collaborative Governance & Smart Budgeting** – Transparent, student-focused funding, keeping resources in classrooms.

**Protecting SUN Schools** – Protecting these critical community programs.

I'll fight for all our youth to succeed, just as I've done my entire career.
