First off, I appreciate you taking the time to read this pamphlet. The first general question that I always have while reading these is "why is this person running?" So, to answer that. I am running because I've been a lifelong Scot. I attended David Douglas school district kindergarten through 12th grade. After that, I attended Portland State and eventually made it back to coach Football, stepped away for a handful of years and then came back into the district as an employee at the high school and coach for the past four years. In those four years, I've worked with hundreds of students and one thing that stands out is no two students are the same. That's one of the things that makes David Douglas so special. We serve thousands of students from hundreds of cultures, speaking nearly 100 different languages. With all of that something unites nearly every student. They want to be successful. In order to move into the future and have success in our schools we need to adopt some new practices to meet the needs of our students. I intend to aid with those changes and bring a new perspective to the board that actually comes from inside the schools.

Other positions held while in DDSD:

- Pacific Islander club advisor
- Member of the staff of color leadership team
- Restorative practices coach
- Former SAT/ACT coordinator
