

Joint County Voters' Pamphlet Candidate Statement

Important! Read all instructions before completing this form.

Please note that each county produces a separate County Voters' Pamphlet. If the jurisdiction or district is located in more than one county, a separate JCVP-01 form must be filed and the filing fee paid to each county where the Candidate Statement is to be printed.

See Attached

5. Optional Information

Attach a separate sheet with your Optional Information. **Remember: both your Required and Optional Information count toward the 325 word limit (excluding required information headings).**

David Douglas School District

Director, Position 6

Candidate Name: Heather Franklin

Occupation: Biostatistician, Oregon Health and Science University

Occupational Background: Instructor; Data Analyst; Statistical Consultant

Educational Background: Masters of Public Health, Oregon Health and Science University, Biostatistics & Epidemiology; Bachelor of Science, Portland State University, Psychology

Prior Governmental Experience: David Douglas School Board of Directors, Position 6

I am seeking re-election to the David Douglas School Board because I am deeply committed to the success of our students, staff, and community. During my time on the board, I have worked to ensure that district policies and budget decisions reflect the lived experiences and needs of the families we serve. As a mother of six—including graduates, current, and future David Douglas students—and a Biostatistician at OHSU, I bring both a parent's perspective and a data-informed approach to this work.

My priorities have consistently focused on advancing educational equity, strengthening family engagement, and ensuring transparency and accountability. I remain actively involved across the district, listening to parents, students, educators, and community members in the spaces where they live, learn, and lead.

As we near completion of the bond work approved through Measure 26-227, I'm proud of what we've achieved together: expanded preschool access, upgraded health and safety infrastructure in every building, and the construction of a new CTE center at the high school. We are focused on monitoring and strengthening literacy, numeracy and equity. We successfully ratified a new teacher contract through open, values-driven, student-centered bargaining.

Looking ahead, I remain committed to:

- Prioritizing early literacy so every student becomes a confident reader
- Using data and an equity-focused approach to eliminate predictable disparities in outcomes
- Navigating ongoing and emergent budget challenges with transparency and community partnership
