### **What Does the IT/Health Department Portfolio Do?**

We are a team of senior business systems analysts who deliver the greatest possible value to our Health Department customers. We improve their experience of technology and deliver solutions that make it easier for them to do the very important work of serving our community.

### **Internship Description & Responsibilities:**

Depending on duration of assignment:

- Participate in AI program development for the Health Department
- Partner with IT Sr. BSA on implementation of an AI solution for the Health Department
  - Analyze current state systems and desired future state

- Analyze business requirements and dependencies
- Identify implementation strategy, project charter, project plan, and resource needs
- Develop the business case for IT review and approval
- Collaborate on execution of vendor Statement of Work
- Collaborate with IT teams and Health Department stakeholders on testing and pilot

### **Learning Outcomes:**

- Application of AI in healthcare
- Project management and business analyst fundamentals
- Software implementation in a healthcare environment
- Change management
- Government IT standards and practices

### **Education and Minimum Qualifications:**

- Candidates should have completed or enrolled in a college/university academic institution.
- No previous IT or AI experience required.
- Bring your curiosity and a desire to learn healthcare IT and AI.
- Familiarity with Google solutions is helpful.
- Promote a culture of respect, inclusiveness, and appreciation of diverse perspectives, backgrounds, and values ([Link to Equity and Empowerment Lens](#))

### **Workforce Equity:**

Our Commitment to Safety, Trust and Belonging: Multnomah County is committed to developing, nurturing and continually improving workforce equity by identifying and addressing the structural and policy barriers to equal employment opportunity faced by our employees and communities. Learn more by reading our [Workforce Equity Strategic Plan](#) and exploring our [Core Competencies](#) for all County employees.

### **Veterans' Preference:**

Under Oregon Law, qualifying veterans may apply for veterans' preference for this recruitment. Review our [veterans' preference website](#) for details about eligibility and how to apply.

For veterans qualified for Veterans' Preference: If you believe you have skills that would transfer well to this position and/or special qualifications that relate to this position, please list those skills and/or qualifications.

**Accommodation under the Americans with Disabilities Act:** We gladly provide reasonable accommodation to anyone whose specific disability prevents them from completing an application or participating in this recruitment process. Please contact the recruiter below in advance to request assistance. Individuals with hearing or speech impairments may contact the recruiter through the Telecommunications Relay Service by dialing 711.

**Application Instructions:**

Please fill out and submit an application for this position through the form also located on this [website](#). The deadline for submitting an online application is March 25th, 2024.
