3. The Chair is authorized, pursuant to Multnomah County Code § 7.007, to adopt Executive Rules to implement and enforce provisions of the Multnomah County Code and to carry out the Chair's duties under the Charter.
4. The following conditions have caused a state of emergency:

  - B. Geographic boundaries of the emergency: All of Multnomah County will be impacted.
  - C. Preliminary damage assessments: The hot weather has yet to cause significant injury or damage. Such assessments shall continue for the duration of the emergency.

  - D. The Director of County Management, or designee, is authorized to suspend or modify personnel rules and administrative procedures or enter into memorandums of agreement or exception with union partners if compliance with such provisions would in any way prevent, hinder, or delay necessary action in coping with the emergency or pose hardship on the communities we serve or employees of Multnomah County.
  - E. The Chief Operating Officer, or designee, may direct County officers and employees to perform or facilitate emergency services.
7. The Chair reserves and does not waive all other emergency powers, as authorized by MCC 25.440 *et seq.*, ORS 401, and any other applicable legal authority. Accordingly, the Chair may supplement this Executive Rule with additional measures or orders as she deems necessary and appropriate.
