OPTIONAL INFORMATION

I have lived in the David Douglas School District for 14 years. My children attend Earl Boyles Elementary School and I volunteer in their classrooms three days a week. Both children have been a part of the preschool program, which I hope can be expanded to all the elementary schools. My wife is a teacher at David Douglas High School. Between interacting with elementary school students, helping staff members, and hearing about my wife's day, I am exposed to a lot of view points within the district on a regular basis.

I have a passion for balancing budgets, listening to other points of view, problem solving, and learning new things. Though I do not have any government or social service experience, my management background has prepared me to be part of a group of people working together toward a common goal. If given a chance to represent our community, I think I could provide a perspective that mirrors our changing community that might not have had a voice before.

I'm willing to listen to your concerns and I hope together we can tackle issues like the "healthy" food offered in our schools, adult-to-student ratios in classrooms, keeping the electives in our schools despite the looming budget cuts, and otherwise supporting our community.

Thank you for reading. I would appreciate your vote.
