DIANE MCKEEL

OPTIONAL INFORMATION

I am a candidate for Director, Zone 1, Mt Hood Community College District. I am both excited and resolved to help give opportunity to every person, young, old or in between to better themselves and their lives.

I believe education is the key to good jobs, economic development, individual improvement and community good. I know of no better place to offer so much for so many than an excellent community college. Our own Mt. Hood Community College.

New businesses are locating in East County. Along with our outstanding existing businesses, we have real opportunity for continued good job growth. We must be prepared with a ready workforce and that is where our community college plays a critical role in educational development, innovative programs and partnerships.

Classes, programs and activities are available for people who want to receive an Associate's Degree, people who want to transfer to a 4-year college or university, people looking to achieve the skills to move into careers, and people looking to improve on personal or job skills.

I pledge to work with fellow MHCC board members, administration, staff, students and the public to make things happen as we look to the future and the possibilities still to come.

Thank you for your support.
