Since my appointment to an open position in September 2014, it has been a privilege to serve on the Reynolds School Board. In my short time working with the RSD, I have found the district's principals, teachers, staff and administrators to be great people focused on doing the right things to help develop children into well-educated, well-rounded, respected young adults, which I feel is vital for a thriving and successful community.

My primary focus will continue to be helping the district achieve its goals in educating our kids; I will focus my attention and resources on this along with safety, inclusion, solid curriculum, quality teaching staff, and solid leadership. My business background and management knowledge from my profession as a business and facilities manager for a large consulting firm prepare me well to balance the business side of running a district with the heartfelt side of doing the right things for children.

As a lifetime resident of East County, with children educated in the district who are now successful adults, I am fully committed to keeping Reynolds as a great place for all children to grow and learn. I hope you will continue to allow me the opportunity and responsibility of serving the community in greater East Multnomah County.
