

Department Overview

Prosecution services are the cornerstone of any effective public safety system. The District Attorney's Office reviews and prosecutes criminal cases referred by seven police agencies within the county. It also represents the State of Oregon in cases of juvenile dependency, delinquency, and on matters related to child support.

The Multnomah County District Attorney's Office is committed to the open and balanced administration of justice – one that honors and respects diversity in all of its forms – and works diligently to protect children and victims of crime and maintain timely and appropriate sanctions for offenders who engage in criminal activity. The District Attorney's Office operates under these guiding principles:

- To enforce the Rule of Law by providing fair, equitable, and unbiased prosecution services.
- To be responsive to the needs of our community by proactively working to resolve emerging crime issues through outreach and education.
- To provide effective services to victims of crime by educating them on their constitutional and statutory rights, providing compassionate guidance and support through legal processes, and communicating case outcomes.
- To be responsive to law enforcement partners by being flexible in addressing emerging trends in criminal activity and providing expert legal advice and guidance.
- To work collaboratively with criminal justice system partners to effect positive change by looking at and developing new and innovative programs, best practices, and leveraging technological advancements.
- To find ways at both the adult and juvenile levels to provide education and access to community services to reduce reentry into the criminal justice system.
- To provide the best and most cost effective child support services.

Budget Overview

The FY 2019 District Attorney's Office budget is \$34.7 million, an increase of 3.5% from the FY 2018 budget. The FY 2019 budget is comprised of 74.2% General Fund and 25.8% Other Funds.

The General Fund increased by \$918,813 (3.7%), which is largely due to increased personnel and internal service costs. Other Funds increased by \$262,618 (3.0%) due to modest increases in a number of state-funded programs, including the Multnomah County Justice Reinvestment and Termination of Parental Rights programs. The majority of the Other Funds increase funds personnel. There is a significant decrease in contracted services funding as the District Attorney's Office nears completion of the sexual assault kit (SAKI) testing project funded through a FY 2017 grant from the District Attorney of New York (15307A). With the backlog of untested sexual assault kits eliminated, the department is now focused on prosecuting the resulting cases and has received one-time-only General Fund resources for a 1.00 Deputy District attorney to work those cases (15307B).

Significant departmental changes include a year-over-year increase of 2.50 FTE, with the addition of 1.00 FTE in the General Fund for the SAKI project and a net increase of 1.50 FTE in Other Funds. The department is nearing completion of a three year project to transition to a new case management system. The CRIMES Replacement (15012) program offer funds 3.00 FTE through September 2018, when the transition will be complete. A companion program offer (78319) in the Department of County Assets budgets for the professional service costs (\$300,000).

The District Attorney's Office has no new General Fund ongoing programs for FY 2019. The FY 2019 General Fund allocation includes \$341,077 in one-time-only funding for the following programs:

- CRIMES Replacement (15012) \$158,844
- Sexual Assault Kit Backlog Elimination Project (15307B) \$182,233

Successes and Challenges

Successes

The District Attorney's Office continues to do the job of holding the most dangerous offenders accountable while using resources as efficiently and effectively as possible. As the largest district attorney's office in the State of Oregon, representing Oregon's most populous county, we are eager to partner with public safety officials in working to enact public safety policies and laws which increase efficiency and effectiveness system-wide.

Here are some highlights from FY 2018:

- The office resolved over 19,000 criminal cases.
- Victim Advocates assisted over 1,000 victims of crimes and made hundreds of court appearances to support victims.
- The Office lead a multi-jurisdictional effort to test over 1,700 untested sexual assault kits in Multnomah, Marion, and Lane counties. The project is expanded in FY 2019 to include additional jurisdictions throughout the State
- The Restitution Recovery Program contacted over 1,600 victims to identify financial losses associated with criminal activity, identifying nearly \$9,000,000 in losses eligible for court-ordered restitution.
- Continuing a history of success, the Child Support Enforcement Division collected just under \$33,000,000 in child support, all of which went to helping households in Multnomah County.

Challenges

The criminal justice system continues to face racial and ethnic disparities in our community. The District Attorney's Office is dedicated to continue its work to eliminate those disparities through thoughtful, data-driven, and coordinated policy adjustments.

Diversity and Equity

The District Attorney's Office is fully committed to workplace diversity and equity. This office provides outstanding service to the many different people and populations within Multnomah County in a manner that is culturally and linguistically competent and trauma-informed. It is the policy of the District Attorney that all staff and attorneys maintain the highest ethical and professional standards, which includes acting with full awareness of the ways in which the justice system impacts different people and populations.

In 2013, the District Attorney initiated an internal employee workgroup that named itself the "Equity, Dignity and Opportunity Council" (EDOC). This group of 12 office members - six lawyers and six non-lawyers - meets weekly to advance the equity conversation within the office, plan and sponsor equity-related trainings for the office, consider workplace initiatives, and present equity issues for internal review, discussion and solution. The EDOC is moving in to its fifth year of activity.

Another example of our efforts to address diversity and equity issues in our community can be seen in our Victims Assistance Program (15401). Our Victim Advocates work hard to eliminate the cultural and other barriers that prevent victims from realizing and fully utilizing their legal rights in the criminal justice system. That includes being mindful of cultural sensitivities, producing written materials in several languages, using interpreters and translation services, and partnering with social-service agencies to assist with personal and family stability. In order to address inequities in our community, we must have an unbiased understanding of the current state of the criminal justice system and a method to evaluate the effectiveness of our programs.

Explanation of Revenues

Significant Program Changes

Last Year this program was: FY 2018: 15002 Information Technology

In FY 2017 and earlier fiscal years, all IT-related Internal Service Charges were budgeted in this Information Technology program offer. In FY 2018 the MCDA experimented with distributing IT Internal Service Charges to units rather than centralizing them as had been the practice through FY 2017. However, it was determined that the benefits of distributing cost does not offset the complexity of allocating these costs, so in FY 2019, the MCDA returns to it's prior practice of centralizing IT Internal Service Charges in the Information Technology program offer. As a result a significant increase in Internal Services is seen in this program offer while corresponding reductions are seen across the remaining program offers.

Executive Summary

The Juvenile Court Trial Unit prosecutes juvenile crimes ranging from misdemeanors to homicides. It has three primary functions: 1) delinquency cases (prosecuting juveniles who have committed criminal offenses), 2) dependency cases (litigating child protection cases in Juvenile Court), and 3) termination of parental rights (litigating cases where the abuse or neglect of a child necessitates effort be made to free the child for adoption).

Program Summary

The delinquency function involves the prosecution of juveniles who have committed all but the most serious (Ballot Measure 11) crimes. This includes cases ranging from minor misdemeanors to serious felonies. The unit works closely with the Department of Community Justice (DCJ) Juvenile Division in developing appropriate sanctions aimed at accountability, community protection and reformation of the child or youth.

The dependency function involves working closely with the State Department of Human Services (DHS) and other agencies to protect children who come to the attention of authorities as a result of abuse or neglect. Deputy District Attorneys are responsible for proving child protection cases (dependency cases) in Juvenile Court and for working with DHS and other agencies and partners to fashion plans which will provide protection for the child and opportunities for the parents to mitigate the dangers which brought the child to the attention of the court in the first place.

All efforts are made to keep the family unit intact, however when those efforts are exhausted the Termination of Parental Rights deputy DAs work in close collaboration with the State Department of Human Services to free these children for adoption. Services provided to law enforcement, juvenile courts, DCJ and DHS include filing petitions for delinquency, dependency or termination of parental rights, meeting with victims and witnesses, seeking restitution on behalf of victims, coordinating with juvenile court counselors, DCJ and DHS and trying cases in court.

The Domestic Violence program screens and prosecutes all domestic violence cases, violations of restraining orders, civil commitments and participates in the Mental Health Court. This high volume unit prosecutes more than 1,000 domestic violence cases annually, including under-served populations.

Program Summary

The Domestic Violence unit prosecutes all types of family or intimate partner violence including assaults, sex crimes, and homicides. The crimes include all level of assault, sexual assault, kidnapping, harassment, and homicides. The unit works with our Victim Assistance program to assign an advocate to each case to provide outreach and access to support services for all victims of domestic violence and their families.

The unit works in collaboration with state and local law enforcement, the Multnomah County Department of Community Justice and a variety of local nonprofit domestic violence organizations and shelters. For example, the unit works closely with the Portland Police Bureau Domestic Violence Reduction Unit (DVRU) and the Domestic Violence Emergency Response Team (DVERT). The Senior Deputy of this unit is an Executive Committee member for the Family Violence Coordination Council and, the Domestic Violence Fatality Review, the DV court workgroup and is the Co-Chair of the local Chapter of Justice Jammers, a work group that meets to identify gaps in the justice system affecting domestic violence victim's safety and offender accountability.

The Domestic Violence Unit participates in the Deferred Sentencing program for eligible offenders. This program allows first time offenders an opportunity to earn a dismissal of the charge upon successful completion of a highly supervised and closely monitored program of batterer's intervention strategies and counseling. The Domestic Violence unit works with the county's Adult Protective Services agency to provide a specialized emphasis on the prosecution of elder abuse cases within Multnomah County. This unit acts as a resource for training of community partners, state and local law enforcement agencies. The unit dedicates a full time attorney to mental health court and civil commitments for the county.

Executive Summary

This program serves three primary functions: (1) Prosecute felony crimes involving child victims including homicide, physical abuse, abandonment and neglect, sexual exploitation and sexual assault of children where the perpetrator is considered family, (2) Protect vulnerable children through litigating dependency cases in juvenile court; and (3) Coordinate the Multi-Disciplinary Child Abuse Team's child protection efforts and develop practices and policies to investigate and prosecute abuse while working to help keep children safe.

Program Summary

The Multidisciplinary Child Abuse Team (MDT) is part of a larger team comprised of representatives from law enforcement, public schools, hospitals, courts, health departments, the Oregon Department of Human Services (DHS), and the Oregon Department of Employment Child Care Division. The team provides services to child victims, minimizes the number of victim interviews, prevents abuse of other potential victims, advances public safety and increases the effectiveness of prosecution of both criminal and dependency cases. A case in the MDT unit is often time-intensive.

MDT is located at the Gateway Children's Center campus and co-housed with the Child Abuse Hotline and a specialized police unit comprised of detectives from the Portland Police Bureau and the Gresham Police Department. Last year, this program prosecuted some of the most troubling homicides and serious felony sexual and physical assaults against children in the county. This team reviews all fatalities which involve a child under the age of 18 years. Deputy District Attorneys also work with DHS and other agencies to protect children who are abused and neglected.

Last year, attorneys litigated some of the most high risk/high lethality child protection cases in Juvenile Court. With the court, DHS and other agencies and community partners the office fashions plans that provide protection for the child and opportunities for the parents to mitigate the dangers which brought the child to the attention of the court in the first place, with the goal that the child(ren) will be returned and the need for court involvement ended.

MDT DDAs coordinate discussion and resolution of inter-agency issues, assist in training with agencies involved in child abuse, participate in policy meetings regarding child abuse and neglect, prepare and update the protocols for the larger MDT, and advise community partners on child abuse legal issues. The Senior Deputy District Attorney is on call 24/7 to assist law enforcement, medical personnel and DHS. This program also coordinates the distribution of state Child Abuse Multidisciplinary intervention (CAMI) funds to a variety of local partners on an annual basis for projects/services associated with child abuse intervention.

Executive Summary

The Multnomah County District Attorney's Support Enforcement Division (SED) establishes, modifies and enforces paternity, child support and medical support orders for the families of Multnomah County as part of The Oregon Child Support Program (OCSP) by working with both parents to provide the financial and emotional support their children need to grow and thrive. OCSP delegates the authority of non-public assistance cases to county district attorney's offices.

Program Summary

The Child Support Enforcement (CSE) Program, operated by the Support Enforcement Division (SED), was enacted in 1975 as a federal-state-local partnership. The federal government reimburses each state 66% of all allowable expenditures on CSE activities, including staffing costs. The federal government's funding is "open-ended" in that it pays its percentage of expenditures by matching the amounts spent by state and local governments with no upper limit or ceiling.

Operating in two locations (Downtown and East County), the SED routinely carries an average caseload of approximately 7500 cases and collects approximately \$31 million annually. Every dollar collected (less a \$25 annual fee) is sent directly to custodial parents for the benefit of the children in our community, providing a critical safety net for families.

SED, using automated, administrative, and judicial means to enforce court orders, currently collects support every month, resulting in payments benefiting over 10,000 children in our community. SED also works with the courts to offer those that are unable to meet their obligations with tools to do so such as assistance with job placement, addiction evaluations, and mental health services referrals.

In addition to enforcing child support and medical support orders SED also assists families by establishing paternity, establishing support and medical orders, modifying support orders to ensure a fair support amount, and establishing arrears on past support owed.

SED works with all 50 states, local tribes, and US territories, to cooperatively provide child support services. In addition, OCSP and CSE have reciprocity agreements with over 30 foreign nations.

Executive Summary

Felony Trial Unit C/Gangs prosecutes a variety of very serious and mid-level felony crimes including: homicides, robberies, weapons offenses, gang crimes, vehicular homicides and assaults, arson, residential burglaries and felony animal abuse. These crimes are predominantly person crimes, and many of the violent cases handled by this unit have long-lasting effects on the victimized community members.

Program Summary

This program works closely with federal, state and local law enforcement agencies to prosecute serious person and property crimes, including those cases involving homicides, vehicular assaults and homicides, crimes involving gangs, weapons possession by felons, arson, animal abuse, all degrees of robberies, and residential burglaries.

Unit C/Gangs works cooperatively with state and local law enforcement agencies and community partners to target and reduce the instances of gang related crime through aggressive enforcement and prosecution. In the continuum of prosecution services, this unit prosecutes mostly high risk and some medium level offenders, and many cases handled in Unit C/Gangs have high visibility in the community. The program also works cooperatively with the Portland Police Bureau, Multnomah County Sheriff's Office, Gresham Police Bureau, and other local law enforcement agencies in the County to promote better case investigation and development by consulting with and training officers in the complex legal issues these cases present. Members of the unit are available to officers with questions 24 hours per day, 7 days per week.

Additionally, the unit works with the Bureau of Alcohol, Tobacco and Firearms and the US Attorney's Office to reduce by vigorous prosecution the illegal use, possession and transfer of firearms. Hundreds of these weapons cases are handled annually, resulting in both state and federal prosecutions.

A key goal to the Unit C/Gangs program is to make sure that offenders are held accountable for their criminal behavior and that the rights of victims are protected. The program seeks to hold offenders accountable for committing serious person and property crimes, and seeks to engage other community partners in reducing gang related violence and illegal activities in the schools and neighborhoods.

Executive Summary

This program holds offenders accountable by providing prosecution services for misdemeanor crimes. Intake attorneys review and issue charging documents on misdemeanor cases and directly respond to a variety of inquiries from members of the public regarding criminal law issues, and the criminal process in Multnomah County.

Program Summary

This program works collaboratively with the State courts and local law enforcement agencies to prosecute all misdemeanor crimes except those involving domestic violence. The attorneys assigned to Intake screen, issue or reject for prosecution misdemeanor offenses such as driving under the influence of intoxicants (DUI), resisting arrest, assault, sex abuse, theft, prostitution, stalking, trespass, strangulation and disorderly conduct. Intake attorneys also handle court appearances at the Justice Center including arraignments, DUI Diversion entries, Community Court and early resolution cases.

Cases involving non-violent offenders can also now be referred to the Community Courts located in downtown Portland and Gresham. These courts not only issue sanctions against offenders but also provide access to needed social services such as alcohol treatment, drug treatment and mental health services. With thousands of cases processed each year, the Community Courts offer a cost-effective collaboration between the state courts, prosecution and social service providers.

Attorneys assigned to the Misdemeanor Trial Unit prepare cases for trial and represent the State of Oregon in misdemeanor jury and bench trials. These attorneys also appear in court on other matters including pleas, sentencing's, probation violation hearings, and restitution hearings. Attorneys in the trial unit work collaboratively with the Neighborhood DA program by prosecuting their issued cases. Most non-violent offenders qualify for "Community Court" where they can earn a reduction or dismissal of their charges by giving back to local neighborhoods through community service while getting connected with needed social service programs. Offenders who decline or are ineligible for "Community Court" are prosecuted by the attorneys in the Misdemeanor Trial Unit. Because of the large volume of cases and the continued expansion of East County, prosecutors present cases to courts located in downtown Portland and also in Gresham.

Executive Summary

The Neighborhood District Attorney Program works directly with local individual citizens, community groups, neighborhood associations, business associations and law enforcement agencies in communities throughout Multnomah County to identify and develop strategies to combat quality of life crimes and improve neighborhood livability. NDAs also review and issue charging documents on misdemeanor cases throughout the county.

Program Summary

This nationally recognized model program engages a variety of community, business and law enforcement partners in identifying crime issues and developing strategies within a community to combat quality of life crime in neighborhoods throughout Multnomah County. The Neighborhood prosecutors are strategically located in East, North/Northeast, Central, Port of Portland and the Gresham police precincts, and the Rockwood and Albina neighborhoods and Tri-Met. Each Neighborhood District Attorney (NDA) is responsible for working with police, other government agencies, businesses and citizens to improve the quality of life in the areas they serve. This includes keeping police officers up to date on criminal law changes, making the criminal justice system user-friendly for responsible area businesses, marshaling prosecution resources to solve entrenched neighborhood problems, attending community meetings and providing legal tools for citizens and police to use to improve their quality of life, such as collaborating on partnership agreements, business trespass agreements, homeless issues, diversion programs, innovative gang interventions, focused prosecutions and involving citizens to obtain search warrants to close neighborhood drug houses.

Specialized prosecutors are contracted with Lloyd Business District and Tri-Met to prosecute crimes and solve crime problems specific to those entities. There is also one additional prosecutor in the North/Northeast area assigned to coordinate county-wide misdemeanor gang prosecutions and probation with the Portland Police and Multnomah County Circuit Court in an effort to have these emerging gang members mentored by area pastors and community leaders. In addition the program issues approximately one half of all misdemeanors processed by the office, including quality-of-life misdemeanors such as drinking, camping, graffiti, drugs and prostitution.

Executive Summary

The program includes responsibilities which represent a new approach to criminal justice where the district attorney takes the lead in reviewing claims of actual innocence and wrongful conviction. The program expands upon this cutting edge approach by utilizing this dedicated position (the "Post-Conviction Deputy") as the office resource for internal professional training and development related to handling these critical cases, to include "best practices", ethics, and avoidance of repeating past mistakes.

Program Summary

The program represents a first for Oregon and one of only a limited number of such programs in the nation. When responding to a claim of actual innocence or wrongful conviction, case review requires thorough, committed and unrelenting effort. These challenges have involved cases some of which date from the 1980's and 1990's. This post-conviction review is complicated by the passage of time including obtaining old archival records, retention and storage of evidence, as well identifying and contacting original law enforcement investigators, victims, witnesses. This case review also requires analysis of past litigation, including trial transcripts, appeal briefs and state or federal post-conviction challenges. Finally, these cases are challenging to determine the availability and significance of potential new forensic testing including DNA , as well, the significance of past and present laws.

In addition, the program deputy is responsible for additional post-conviction case support including liaison to the Governor when the office responds to petitions for Executive Clemency, liaison with the Oregon Board of Parole for purposes of Murder review, Exit interview and Dangerous Offender release hearings, , liaison to the Oregon Department of Justice in its response to Oregon statute based petitions for Post-Conviction Relief and federal petitions for Habeas Corpus relief, hearings before the Psychiatric Security Review Board (PSRB) matter to determine whether a person found Guilty but Insane should continue to be subject to PSRB supervision or discharge.

Executive Summary

A multi-jurisdiction project initiated and lead by the Multnomah County District Attorney's Office to process approximately 440 untested sexual assault kits in Multnomah, Marion, and Lane counties plus approximately 335 additional kits from counties outside the initial three county project area. Testing for the project is 100% grant funded via the District Attorney of New York (DANY) grants.

Program Summary

In October 2016, the Multnomah County District Attorney's Office was awarded a \$1,995,453 grant to process approximately 2,500 untested sexual assault kits (USAK's) in Multnomah, Lane, and Marion counties. In 2017 the scope of the project was expanded to include the testing of USAK's throughout the remaining counties in Oregon. This program offer allocates funding to complete the testing of the remaining kits.

Due to capacity constraints at the Oregon State Police (OSP) Crime Lab, testing of USAK's are being performed via a contracted laboratory pre-approved by OSP that meets all federal requirements necessary for results to be entered in to the FBI Combined DNA Index System.

Executive Summary

The primary goal of the Victim Assistance and Restitution Recovery Program is to make the criminal justice system more responsive to individual citizens, particularly to victims of crime. To this end, it is the philosophy of the office that every effort be made to maximize victim involvement at every possible stage of a criminal case, and assure the rights of crime victims by investigating the economic loss to victims and ensuring that losses are accurately presented in court.

Program Summary

Victim Advocates work directly with crime victims to explain the criminal justice system, including what rights are available to them; provide court accompaniment; offer referral information to appropriate community services and guide victims through the prosecution process.

The program also provides 24-hour on-call response to victims of sexual assault. We carry out this effort with a team of paid staff and over 40 volunteers. This immediate crisis intervention service is then followed by ongoing support and advocacy throughout the investigation and prosecution of the case.

All victims of crimes being prosecuted by the District Attorney's Office receive information about their rights as victims, an opportunity to submit information about their losses for restitution, and notification letters on the case status and disposition.
