## Vision, Integrity, Experience

I have been a Real Estate Broker for twenty four years developing my experience in land use planning. This background has allowed me to bring a unique perspective to the Lake Oswego Planning Commission, where I serve as vice-chair. My goal is to be an integral part of the City Council, helping to plan the city's future for the next generation of residents.

My wife, Sharon, and I are proud to call Lake Oswego our home. For the last ten years we've been parenting our three teenage grandchildren, not only do they keep us young at heart, they bring much joy and laughter into our lives.

Some of the concepts I utilize:

- Nothing happens without leadership
- Don't just deal with problems but plan ahead to avoid them
- Say what you mean and mean what you say
- Market factors need to be considered in land use decisions
- Predictability is essential for residents and businesses alike
- Focus groups are a very effective way to formulate great ideas
- The loudest opinion may not represent the majority
- Change can be uncomfortable but the outcome is often beneficial

I have a great desire to listen and understand the needs, ideas, and concerns of the people of Lake Oswego. I pride myself on taking a pragmatic approach to problem solving, and find merit in varying perspectives. I personally do not believe a candidate should be judged by their opinion on one thing but more on the process in which they utilize to evaluate all decisions before them. Honesty, fairness, and mutual respect are paramount to the successful functioning and enjoyment of a united community.

I ask for your support. Please vote Ed Brockman for Lake Oswego City Council.
