

## Attachment A: List of JOHS qualified vendors of Employment related services

Overview: Attachment A includes table of all organizations (or "suppliers") that are qualified by Multnomah County to provide Employment related services. Many organizations are qualified under multiple procurements, but the tables only include information about the relevant procurement with the latest expiration date.

Table 1: Organizations qualified to provide Employment related services - every proposal must include at least one of these organizations as an Employment service provider, these organizations are qualified to contract with the Joint Office to provide Employment related services.
