I have lived in the Parkrose community for the past ten years and I am a parent of two in the Russell Elementary neighborhood. I am a strong advocate of Public Education and I believe our schools continue to be the engines of economic opportunity and mobility within our society. I attended public schools from elementary to post-graduate. Public education has given me and my family the opportunity to participate in a democratic living to prosper, thriving as Individuals. 4-contribute to the community)

While we are fortunate to have a strong and efficient Parkrose educational system K-12, I believe we can do much more as a community if class sizes were reduced and we increase the number of academic opportunities for all students. Whether families support a college education path after high school or a career in the different trades through technical education, I believe our schools should be equipped to provide opportunities for all students and families.

During my tenure as a Parkrose Board Director, we have increased graduation rates to historical numbers while enacting policies that allow ALL students to achieve academically and be college and career ready. I have been fortunate to represent Parkrose and I have learned about our programs' strengths such as AVID and our opportunities for growth as we transform from a small district into a high achieving one within the city and county.

in the next four years, I look forward to:

- Maintain open and welcoming policies for all immigrant and refugee students.
- Continue to narrow the achievement gap among all demographics.
- Sustain and continue to increase graduation rates.
- Advocate for school resources while partnering with city, county and state governments.
- Re-evaluate and upgrade educational systems that can improve conditions within schools and for all students and families.
- Explore and Improve strategies for batter parent integration and participation at all school - واويدول

I look forward to continue to work in the Parkrose Board of Directors and I ask for your vote.

Erick Flores
