RE: SHPO Case No. 25-0800

Multnomah County, T3-2025-0001, Conditional Use - Rural First Protection District #14  
Conditional Use for addition to Corbett Fire Station.  
36930 E Hist Columbia River Hwy, Corbett, Multnomah County

Dear Rithy Khut:

Thank you for submitting information for the project referenced above. Our office does not agree that there will be no historic properties affected because the lot has not previously been surveyed for historic buildings or cultural resources.

Our office recommends an archaeological survey where ground disturbing activities will occur, and an evaluation of the firehouse for eligibility on the National Register of Historic Places, as it is over 50 years of age.

This recommendation is made with the assumption that consultation with all appropriate Native American tribes and interested parties regarding the proposed undertaking has been completed. Additional consultation regarding this case must be sent through Go Digital. To help us track the undertaking accurately, reference the SHPO case number above in all correspondence.

Please contact our office if you have any questions, comments or need additional assistance.

Sincerely,

Kirsten Lopez  
Special Projects Archaeologist
