

- Document for Steering Committee to collaborate and share case study examples for universal goals
- Elevate the great work that is happening locally – "what does climate justice look like in practice"
- We will have a few case study examples before public comment launch.

## Steering Committee Members Case-studies to SPOTLIGHT

<b>Universal Goal: Every community member has the opportunity to contribute to climate justice in Multnomah County. <sup>(1)</sup></b>	<b>CJP Steering Committee Case-Study Examples</b>
<b>Targeted Strategies</b>	<i>Steering Committee members list any case-studies below</i>
Reduce voting age to 16 for local elections - (Electoral / charter / voting inclusion reformation). (1)	<ul style="list-style-type: none"> <li>• [organization name, project title, 2-3 sentence description, website link to more information/pictures].</li> <li>• [organization name, project title, 2-3 sentence description, website link to more information/pictures].</li> </ul>
Developing platforms/dashboards to increase transparency and accountability in development and implementation of climate actions. (2)	<ul style="list-style-type: none"> <li>• [organization name, project title, 2-3 sentence description, website link to more information/pictures].</li> <li>• [organization name, project title, 2-3 sentence description, website link to more information/pictures].</li> </ul>
Databases that are open accessible to the public, and supporting the development of community-led data ecosystems. (3)	<ul style="list-style-type: none"> <li>• [organization name, project title, 2-3 sentence description, website link to more information/pictures].</li> <li>• [organization name, project title, 2-3 sentence description, website link to more information/pictures].</li> </ul>
Funding and supporting climate education and action for students in public schools (through SUN School systems or school districts). (4)	<ul style="list-style-type: none"> <li>• [organization name, project title, 2-3 sentence description, website link to more information/pictures].</li> <li>• [organization name, project title, 2-3 sentence description, website link to more information/pictures].</li> </ul>
Expanding funding/resources to support frontline communities to participate in climate justice planning. (5)	<ul style="list-style-type: none"> <li>• [organization name, project title, 2-3 sentence description, website link to more information/pictures].</li> <li>• [organization name, project title, 2-3 sentence description, website link to more information/pictures].</li> </ul>

<p><b>Universal Goal:</b> Every community member breathes <b>clean and healthy air</b>. <sup>(2)</sup></p>	<p><b>CJP Steering Committee Case-Study Examples</b></p>
<p><b>Targeted Strategies</b></p>	<p><i>Steering Committee members list any case-studies below</i></p>
<p>Advocacy/policy success around reducing air pollution. (Indirect source rule for major freight hubs). (1)</p>	<ul style="list-style-type: none"> <li>• [organization name, project title, 2-3 sentence description, website link to more information/pictures].</li> <li>• [organization name, project title, 2-3 sentence description, website link to more information/pictures].</li> </ul>
<p>Advocacy/policy success around land-use, zoning and air quality compatibility processes. (2)</p>	<ul style="list-style-type: none"> <li>• [organization name, project title, 2-3 sentence description, website link to more information/pictures].</li> <li>• [organization name, project title, 2-3 sentence description, website link to more information/pictures].</li> </ul>
<p>Advocacy/policy success in regards to indoor air quality standards. (3)</p>	<ul style="list-style-type: none"> <li>• [organization name, project title, 2-3 sentence description, website link to more information/pictures].</li> <li>• [organization name, project title, 2-3 sentence description, website link to more information/pictures].</li> </ul>
<p>Projects related to distributing air filters to low-income families, or other at-risk communities/spaces, to mitigate smoke from forest fires. (4)</p>	<ul style="list-style-type: none"> <li>• [organization name, project title, 2-3 sentence description, website link to more information/pictures].</li> <li>• [organization name, project title, 2-3 sentence description, website link to more information/pictures].</li> </ul>
<p><b>Universal Goal:</b> Every community has access to <b>affordable clean energy</b>. <sup>(5)</sup></p>	<p><b>CJP Steering Committee Case-Study Examples</b></p>
<p><b>Targeted Strategies</b></p>	<p><i>Steering Committee members list any case-studies below</i></p>
<p>Advocacy/policy success regarding rate increases and rate caps - aligned with cost of living/inflation or other protective strategies. (1)</p>	<ul style="list-style-type: none"> <li>• [organization name, project title, 2-3 sentence description, website link to more information/pictures].</li> <li>• [organization name, project title, 2-3 sentence description, website link to more information/pictures].</li> </ul>
<p>Advocating/expanding access and development of community solar (publicly owned solar) and combining it with battery storage wherever feasible. (2)</p>	<ul style="list-style-type: none"> <li>• [organization name, project title, 2-3 sentence description, website link to more information/pictures].</li> <li>• [organization name, project title, 2-3 sentence description, website link to more information/pictures].</li> </ul>

	more information/pictures].
Implementing and/or advocating for enhanced access and incentives for fuel switching and electrification. (3)	<ul style="list-style-type: none"> <li>• [organization name, project title, 2-3 sentence description, website link to more information/pictures].</li> <li>• [organization name, project title, 2-3 sentence description, website link to more information/pictures].</li> </ul>
Strengthening and changing qualifications and eligibility for bill discount programs, enhancing protections for disconnection and arrears management tools. (4)	<ul style="list-style-type: none"> <li>• [organization name, project title, 2-3 sentence description, website link to more information/pictures].</li> <li>• [organization name, project title, 2-3 sentence description, website link to more information/pictures].</li> </ul>
Building advocacy pathways for at-risk and energy burdened communities to influence decision-makers on energy rates, demystifying bills, and other energy related policy issues. (5)	<ul style="list-style-type: none"> <li>• [organization name, project title, 2-3 sentence description, website link to more information/pictures].</li> <li>• [organization name, project title, 2-3 sentence description, website link to more information/pictures].</li> </ul>
Expand the use of distributed energy resources, including energy storage, as a core energy security and resilience solution. (6)	<ul style="list-style-type: none"> <li>• [organization name, project title, 2-3 sentence description, website link to more information/pictures].</li> <li>• [organization name, project title, 2-3 sentence description, website link to more information/pictures].</li> </ul>
Expanding and implementing energy efficiency and weatherization efforts outside of areas served by the Portland Clean Energy Benefits Fund (PCEF)/City of Portland, but within Multnomah County. (7)	<ul style="list-style-type: none"> <li>• [organization name, project title, 2-3 sentence description, website link to more information/pictures].</li> <li>• [organization name, project title, 2-3 sentence description, website link to more information/pictures].</li> </ul>
Advocating to prohibit the use of utility rate payer money for lobbying and greenwashing/misinformation/disinformation. (8)	<ul style="list-style-type: none"> <li>• [organization name, project title, 2-3 sentence description, website link to more information/pictures].</li> <li>• [organization name, project title, 2-3 sentence description, website link to more information/pictures].</li> </ul>
<b>Universal Goal:</b> Every community member is resilient to extreme weather events and other climate threats. (4)	<b>CJP Steering Committee Case-Study Examples</b>
<b>Targeted Strategies</b>	<i>Steering Committee members list any case-studies below</i>
Advocating for advancing green building	<ul style="list-style-type: none"> <li>• [organization name, project title, 2-3</li> </ul>

<p>practices to enhance adaptation/resilience, greenhouse gas mitigation, energy affordability, as well as increase opportunities to innovate green building standards to improve protections to extreme weather events. (1)</p>	<p>sentence description, website link to more information/pictures].</p> <ul style="list-style-type: none"> <li>• [organization name, project title, 2-3 sentence description, website link to more information/pictures].</li> </ul>
<p>Improving access for residents to join Neighborhood Emergency Teams (NETs), support resilience workshops, which includes culturally specific trainings and resources. (2)</p>	<ul style="list-style-type: none"> <li>• [organization name, project title, 2-3 sentence description, website link to more information/pictures].</li> <li>• [organization name, project title, 2-3 sentence description, website link to more information/pictures].</li> </ul>
<p>Advocating and increasing capacity (ex. battery storage, solar) and resources for resilience hubs. (3)</p>	<ul style="list-style-type: none"> <li>• [organization name, project title, 2-3 sentence description, website link to more information/pictures].</li> <li>• [organization name, project title, 2-3 sentence description, website link to more information/pictures].</li> </ul>
<p>Investing in low-income weatherization and energy efficiency services, plus home repairs. Prioritizing solar and battery storage for low-income households. (4)</p>	<ul style="list-style-type: none"> <li>• [organization name, project title, 2-3 sentence description, website link to more information/pictures].</li> <li>• [organization name, project title, 2-3 sentence description, website link to more information/pictures].</li> </ul>
<p>Increase access to air conditioning and air purifiers. Expand Cooling Portland and eligibility criteria for cooling through Oregon’s section 1115 Medicaid waiver. (5)</p>	<ul style="list-style-type: none"> <li>• [organization name, project title, 2-3 sentence description, website link to more information/pictures].</li> <li>• [organization name, project title, 2-3 sentence description, website link to more information/pictures].</li> </ul>
<p>Advocating to standardize and operationalize fareless rides during extreme weather events. (6)</p>	<ul style="list-style-type: none"> <li>• [organization name, project title, 2-3 sentence description, website link to more information/pictures].</li> <li>• [organization name, project title, 2-3 sentence description, website link to more information/pictures].</li> </ul>
<p>Advocating and/or developing thresholds for emergency services based on heat vulnerability geographically. (7)</p>	<ul style="list-style-type: none"> <li>• [organization name, project title, 2-3 sentence description, website link to more information/pictures].</li> <li>• [organization name, project title, 2-3 sentence description, website link to more information/pictures].</li> </ul>
<p>Advocating for or implementing tree planting near bus stops, playgrounds, and other areas where people gather and need shade. Creating areas in the urban environment for animal cooling. (8)</p>	<ul style="list-style-type: none"> <li>• [organization name, project title, 2-3 sentence description, website link to more information/pictures].</li> <li>• [organization name, project title, 2-3 sentence description, website link to more information/pictures].</li> </ul>

	<p>sentence description, website link to more information/pictures].</p>
<p>Advocating for maximum heat standards for indoor temperatures, coordinated and aligned with the rental inspection programs. (9)</p>	<ul style="list-style-type: none"> <li>• [organization name, project title, 2-3 sentence description, website link to more information/pictures].</li> <li>• [organization name, project title, 2-3 sentence description, website link to more information/pictures].</li> </ul>
<p>Advocating, educating, and/or preparing for evacuation plans, and plans to accommodate an influx of climate migrants. (10)</p>	<ul style="list-style-type: none"> <li>• [organization name, project title, 2-3 sentence description, website link to more information/pictures].</li> <li>• [organization name, project title, 2-3 sentence description, website link to more information/pictures].</li> </ul>
<p>Advocating or implementing severe weather-related parametric insurance (index-based insurance, when a threshold is met before a payout). (11)</p>	<ul style="list-style-type: none"> <li>• [organization name, project title, 2-3 sentence description, website link to more information/pictures].</li> <li>• [organization name, project title, 2-3 sentence description, website link to more information/pictures].</li> </ul>
<p><b>Universal Goal:</b>  <b>Every community member has access to nutritious, culturally specific food and has the ability to participate in traditional food practices.</b> <sup>(5)</sup></p>	<p><b>CJP Steering Committee Case-Study Examples</b></p>
<p><b>Targeted Strategies</b></p>	<p><i>Steering Committee members list any case-studies below</i></p>
<p>Advocating and/or providing outreach and education to expand equitable participation in community gardens and farms. (1)</p>	<ul style="list-style-type: none"> <li>• [organization name, project title, 2-3 sentence description, website link to more information/pictures].</li> <li>• [organization name, project title, 2-3 sentence description, website link to more information/pictures].</li> </ul>
<p>Expand community-owned gardens at housing developments, prioritizing affordable housing communities. (2)</p>	<ul style="list-style-type: none"> <li>• [organization name, project title, 2-3 sentence description, website link to more information/pictures].</li> <li>• [organization name, project title, 2-3 sentence description, website link to more information/pictures].</li> </ul>
<p>Advocating for Indigenous control over state and local lands in Multnomah County, especially in usual and accustomed areas for food gathering like Sauvie Island. (3)</p>	<ul style="list-style-type: none"> <li>• [organization name, project title, 2-3 sentence description, website link to more information/pictures].</li> <li>• [organization name, project title, 2-3 sentence description, website link to more information/pictures].</li> </ul>

<p>Increasing availability of land and farm incubators/collective farms and expanding programs like <a href="#">Community Reaps Our Produce and Shares (CROPS)</a>. (4)</p>	<ul style="list-style-type: none"> <li>• [organization name, project title, 2-3 sentence description, website link to more information/pictures].</li> <li>• [organization name, project title, 2-3 sentence description, website link to more information/pictures].</li> </ul>
<p>Education programs on reducing and eliminating pesticides. (5)</p>	<ul style="list-style-type: none"> <li>• [organization name, project title, 2-3 sentence description, website link to more information/pictures].</li> <li>• [organization name, project title, 2-3 sentence description, website link to more information/pictures].</li> </ul>
<p>Expanding access to healthy foods by supporting new neighborhood grocery stores including small and diverse businesses, food pantries, community supported agriculture (CSA) and innovative approaches like mobile grocery stores. (6)</p>	<ul style="list-style-type: none"> <li>• [organization name, project title, 2-3 sentence description, website link to more information/pictures].</li> <li>• [organization name, project title, 2-3 sentence description, website link to more information/pictures].</li> </ul>
<p><b>Universal Goal:</b> Every community member is <b>safe from the risks</b> posed by fossil fuels and energy infrastructure. (6)</p>	<p><b>CJP Steering Committee Case-Study Examples</b></p>
<p><b>Targeted Strategies</b></p>	<p><i>Steering Committee members list any case-studies below</i></p>
<p>Lowering DEQ regulatory threshold from 2M to 1M barrels for the Fuel Tank Seismic Stability Program. (1)</p>	<ul style="list-style-type: none"> <li>• [organization name, project title, 2-3 sentence description, website link to more information/pictures].</li> <li>• [organization name, project title, 2-3 sentence description, website link to more information/pictures].</li> </ul>
<p>Supporting fossil fuel infrastructure engagement campaigns, including community-led community health/environmental justice research. (2)</p>	<ul style="list-style-type: none"> <li>• [organization name, project title, 2-3 sentence description, website link to more information/pictures].</li> <li>• [organization name, project title, 2-3 sentence description, website link to more information/pictures].</li> </ul>
<p>Advocating for regulatory oversight of hydrogen use, especially in homes. (3)</p>	<ul style="list-style-type: none"> <li>• [organization name, project title, 2-3 sentence description, website link to more information/pictures].</li> <li>• [organization name, project title, 2-3 sentence description, website link to more information/pictures].</li> </ul>
<p>Expanding community involvement around land use/zoning reformation and strengthening the</p>	<ul style="list-style-type: none"> <li>• [organization name, project title, 2-3 sentence description, website link to more information/pictures].</li> </ul>

County's land use planning. (4)	<ul style="list-style-type: none"> <li>• [organization name, project title, 2-3 sentence description, website link to more information/pictures].</li> </ul>
Advocating to stop permitting new gas stations and planning for decommissioning gas stations (brownfields). (5)	<ul style="list-style-type: none"> <li>• [organization name, project title, 2-3 sentence description, website link to more information/pictures].</li> <li>• [organization name, project title, 2-3 sentence description, website link to more information/pictures].</li> </ul>
Advocating to prohibit new natural gas hookups in homes. (6)	<ul style="list-style-type: none"> <li>• [organization name, project title, 2-3 sentence description, website link to more information/pictures].</li> <li>• [organization name, project title, 2-3 sentence description, website link to more information/pictures].</li> </ul>
Advocating to seismically retrofit everything that holds or moves fossil fuels, including tanks in CEI Hub and gas meters at homes. (7)	<ul style="list-style-type: none"> <li>• [organization name, project title, 2-3 sentence description, website link to more information/pictures].</li> <li>• [organization name, project title, 2-3 sentence description, website link to more information/pictures].</li> </ul>
Advocating to implement a hazardous material storage fee. (8)	<ul style="list-style-type: none"> <li>• [organization name, project title, 2-3 sentence description, website link to more information/pictures].</li> <li>• [organization name, project title, 2-3 sentence description, website link to more information/pictures].</li> </ul>
Advocating to implement fossil fuel risk bonds. (9)	<ul style="list-style-type: none"> <li>• [organization name, project title, 2-3 sentence description, website link to more information/pictures].</li> <li>• [organization name, project title, 2-3 sentence description, website link to more information/pictures].</li> </ul>
<b>Universal Goal:</b> <b>Every community member has access to the resources and underlying conditions that promote health and well-being.</b> (7)	<b>CJP Steering Committee Case-Study Examples</b>
<b>Targeted Strategies</b>	<i>Steering Committee members list any case-studies below</i>
Increase funding, training, and support for those serving people experiencing homelessness and others that are at-risk along the housing spectrum. (1)	<ul style="list-style-type: none"> <li>• [organization name, project title, 2-3 sentence description, website link to more information/pictures].</li> <li>• [organization name, project title, 2-3 sentence description, website link to more information/pictures].</li> </ul>

<p>De-stigmatizing mental health care, shifting narratives and culture around climate anxiety through “Climate Cafe’s,” healing circles and somatic work; incorporating culturally relevant practices while addressing climate-related traumas. (2)</p>	<ul style="list-style-type: none"> <li>• [organization name, project title, 2-3 sentence description, website link to more information/pictures].</li> <li>• [organization name, project title, 2-3 sentence description, website link to more information/pictures].</li> </ul>
<p>Health literacy education campaign to access resources and preventative care. (3)</p>	<ul style="list-style-type: none"> <li>• [organization name, project title, 2-3 sentence description, website link to more information/pictures].</li> <li>• [organization name, project title, 2-3 sentence description, website link to more information/pictures].</li> </ul>
<p>Train healthcare professionals about climate interventions and technology to support Medicaid patients. (4)</p>	<ul style="list-style-type: none"> <li>• [organization name, project title, 2-3 sentence description, website link to more information/pictures].</li> <li>• [organization name, project title, 2-3 sentence description, website link to more information/pictures].</li> </ul>
<p>Collaborating with healthcare institutions and coordinated care organizations to provide climate-smart technologies and support with other climate mitigation, adaptation, and resilience interventions. (5)</p>	<ul style="list-style-type: none"> <li>• [organization name, project title, 2-3 sentence description, website link to more information/pictures].</li> <li>• [organization name, project title, 2-3 sentence description, website link to more information/pictures].</li> </ul>
<p>Preparing and retrofitting hospitals to upgrade for climate emergencies, including air filters, batteries, and other technologies and resources. (6)</p>	<ul style="list-style-type: none"> <li>• [organization name, project title, 2-3 sentence description, website link to more information/pictures].</li> <li>• [organization name, project title, 2-3 sentence description, website link to more information/pictures].</li> </ul>
<p>Long-term distribution of PPE supplies to prevent disease. (7)</p>	<ul style="list-style-type: none"> <li>• [organization name, project title, 2-3 sentence description, website link to more information/pictures].</li> <li>• [organization name, project title, 2-3 sentence description, website link to more information/pictures].</li> </ul>
<p><b>Universal Goal:</b> Every community member has safe, healthy, and affordable housing. <sup>(8)</sup></p>	<p><b>CJP Steering Committee Case-Study Examples</b></p>
<p><b>Targeted Strategies</b></p>	<p><i>Steering Committee members list any case-studies below</i></p>
<p>Promoting homeownership, financial literacy, and access to home maintenance resources. (1)</p>	<ul style="list-style-type: none"> <li>• [organization name, project title, 2-3 sentence description, website link to more information/pictures].</li> </ul>

	<ul style="list-style-type: none"> <li>• [organization name, project title, 2-3 sentence description, website link to more information/pictures].</li> </ul>
Advocating for increasing funding for Individual Development Account (IDA) program savings, including in support of multigenerational housing. (2)	<ul style="list-style-type: none"> <li>• [organization name, project title, 2-3 sentence description, website link to more information/pictures].</li> <li>• [organization name, project title, 2-3 sentence description, website link to more information/pictures].</li> </ul>
Developing more permanently affordable housing. (3)	<ul style="list-style-type: none"> <li>• [organization name, project title, 2-3 sentence description, website link to more information/pictures].</li> <li>• [organization name, project title, 2-3 sentence description, website link to more information/pictures].</li> </ul>
Advocating to fully fund rent assistance. (4)	<ul style="list-style-type: none"> <li>• [organization name, project title, 2-3 sentence description, website link to more information/pictures].</li> <li>• [organization name, project title, 2-3 sentence description, website link to more information/pictures].</li> </ul>
Increasing funding for culturally specific weatherization and home repair programs. (5)	<ul style="list-style-type: none"> <li>• [organization name, project title, 2-3 sentence description, website link to more information/pictures].</li> <li>• [organization name, project title, 2-3 sentence description, website link to more information/pictures].</li> </ul>
Strengthening renter protections, including expanding beyond a solely complaints based system. (6)	<ul style="list-style-type: none"> <li>• [organization name, project title, 2-3 sentence description, website link to more information/pictures].</li> <li>• [organization name, project title, 2-3 sentence description, website link to more information/pictures].</li> </ul>
Promoting sustainable building practices, including design that integrates housing into the environment. Supporting EV access through charging requirements. (7)	<ul style="list-style-type: none"> <li>• [organization name, project title, 2-3 sentence description, website link to more information/pictures].</li> <li>• [organization name, project title, 2-3 sentence description, website link to more information/pictures].</li> </ul>
Prohibit industrial and toxic operations, including distribution centers and manufacturing facilities, from being developed near affordable housing and/or areas with disproportionately high BIPOC communities. (8)	<ul style="list-style-type: none"> <li>• [organization name, project title, 2-3 sentence description, website link to more information/pictures].</li> <li>• [organization name, project title, 2-3 sentence description, website link to more information/pictures].</li> </ul>

<p>Support zoning, design reforms, and incentives to increase density and social housing developments, including the Inner East Side for All Initiative. This includes neighborhoods that are designed to foster community by embedding community gardens, affordable small business spaces, etc. (9)</p>	<ul style="list-style-type: none"> <li>• [organization name, project title, 2-3 sentence description, website link to more information/pictures].</li> <li>• [organization name, project title, 2-3 sentence description, website link to more information/pictures].</li> </ul>
<p><b>Universal Goal:</b> Every community member is surrounded by and <b>connected to nature</b>, parks, and green infrastructure. (9)</p>	<p><b>CJP Steering Committee Case-Study Examples</b></p>
<p><b>Targeted Strategies</b></p>	<p><i>Steering Committee members list any case-studies below</i></p>
<p>Prioritizing street improvements adjacent to parks to increase safe access to parks for pedestrians, especially children (ex. fare-free transit park passes for all Multnomah County parks). (1)</p>	<ul style="list-style-type: none"> <li>• [organization name, project title, 2-3 sentence description, website link to more information/pictures].</li> <li>• [organization name, project title, 2-3 sentence description, website link to more information/pictures].</li> </ul>
<p>Identifying parks in greatest need of investment based on existing amenities and demographic characteristics of the surrounding community, and working to increase funding to develop and maintain parks in communities with the least access to quality parks and green space. (2)</p>	<ul style="list-style-type: none"> <li>• [organization name, project title, 2-3 sentence description, website link to more information/pictures].</li> <li>• [organization name, project title, 2-3 sentence description, website link to more information/pictures].</li> </ul>
<p>Establishing community orchards in communities with high proportions of BIPOC residents. (3)</p>	<ul style="list-style-type: none"> <li>• [organization name, project title, 2-3 sentence description, website link to more information/pictures].</li> <li>• [organization name, project title, 2-3 sentence description, website link to more information/pictures].</li> </ul>
<p>Plant trees east of 82nd Avenue. (4)</p>	<ul style="list-style-type: none"> <li>• [organization name, project title, 2-3 sentence description, website link to more information/pictures].</li> <li>• [organization name, project title, 2-3 sentence description, website link to more information/pictures].</li> </ul>
<p>Funding pavement removal and tree planting in heat island areas. <i>(cross tab with water quality)</i> (5)</p>	<ul style="list-style-type: none"> <li>• [organization name, project title, 2-3 sentence description, website link to more information/pictures].</li> <li>• [organization name, project title, 2-3 sentence description, website link to more information/pictures].</li> </ul>
<p>Create solar panels shade structures. (6)</p>	<ul style="list-style-type: none"> <li>• [organization name, project title, 2-3 sentence description, website link to more information/pictures].</li> </ul>

	<p>sentence description, website link to more information/pictures].</p> <ul style="list-style-type: none"> <li>• [organization name, project title, 2-3 sentence description, website link to more information/pictures].</li> </ul>
Create more tree shade at bus stops and playgrounds. (7)	<ul style="list-style-type: none"> <li>• [organization name, project title, 2-3 sentence description, website link to more information/pictures].</li> <li>• [organization name, project title, 2-3 sentence description, website link to more information/pictures].</li> </ul>
<p><b>Universal Goal:</b>  <b>Every community member has access to affordable, reliable, and safe transit, biking and pedestrian infrastructure.</b> <sup>(10)</sup></p>	<p><b>CJP Steering Committee Case-Study Examples</b></p>
<p><b>Targeted Strategies</b></p>	<p><i>Steering Committee members list any case-studies below</i></p>
Advocating for farefree transit all the time for specific routes (similar to Boston). As an alternative, expand access to low-income fare and move youth fare from half-price to zero. (1)	<ul style="list-style-type: none"> <li>• [organization name, project title, 2-3 sentence description, website link to more information/pictures].</li> <li>• [organization name, project title, 2-3 sentence description, website link to more information/pictures].</li> </ul>
Providing incentives and reimbursements to property owners and developers to build and improve existing pedestrian infrastructure that is ADA accessible (e.g., sidewalks and crosswalks). (2)	<ul style="list-style-type: none"> <li>• [organization name, project title, 2-3 sentence description, website link to more information/pictures].</li> <li>• [organization name, project title, 2-3 sentence description, website link to more information/pictures].</li> </ul>
Requiring the Safe Routes to School Program in all school districts within Multnomah County.
