## Application Request:

What is being proposed for the property (ex: Establish a new single-family dwelling):

This is an amended application form for #T3-2023-16947 in response to the initial review from Multnomah County on June 23, 2023. Please amend the current T3 permit to include the legal parcel determination and close the original T2 permit. Rooster Rock EV Charging is one of eight selected pilot project sites for bringing public electric vehicle charging to Oregon Parks and Recreation Department (OPRD) in order to increase access to recreation and help the state reach its carbon goals. This project seeks to install two pedestals with 4 EV charging parking stalls in the Rooster Rock State Park Day-Use parking lot.
