Good Morning Gary and Ben,

Thank you for your patience on a reply to your request. I spent time looking over the map, the letter for maintenance and improvement, and the SF-299 form. Then digging into the Master Plan, plus the appendices I received from Ben.

What you have requested is maintenance and improvements under the Recreation & Public Purposes Lease to Oxbow Regional Park, serial no. ORORE 010366.

I shared this information with the Cascades Field Manager, Amanda Hoffman, and she is aware all the actions are covered under the October 1997 Master Plan to Oxbow Regional Park. No, additional NEPA is required for this request.

If you have further questions, please let me know. Thank you.
