Mr. Chris Liu

Department of Community Services Land Use Planning Division

1600 SE 190th Avenue

Portland, OR 97233-5910

Project: **ODOT Skyline Stockpile Site**

Case File No: **PA 2020-13422**

Subject: **Conditional Use Permit Application**

Mr. Liu,

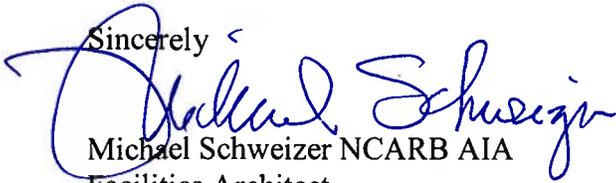

This letter, and accompanying documentation, is in support of our Conditional Use Permit Application and response to the Pre-Application Conference held on 23 July, 2020.

Documentation in this response package includes:

- Written responses to the Conference Notes.
- Applicable Site and Facility Drawings.
- Lot of Record Decision (Cover Letter only).
- Stormwater Certificate and Stormwater Report
- Natural Resources Assessment (SEC-h)
- Geological Hazards and Geotechnical Report
- Fire Service Agency Review Form
- Transportation Review Analysis

I will be the primary contact for discussion or resolution of issues that may arise. If there are any questions/comments we would be more than happy to address via conference call or any means to help expedite final approval. Contact information, including mailing address for the planning process, is noted in the letter head above.

Sincerely

A handwritten signature in blue ink that reads "Michael Schweizer". The signature is fluid and cursive, with the first name "Michael" and last name "Schweizer" clearly legible.

Michael Schweizer NCARB AIA
Facilities Architect
