Lisa,

Attached are two letters of support from our neighbors (Talbot & Beovich) regarding our application to build a home on our farm.

Let me know if you have any questions.

**RE: Application for dwelling at 12424 NW Springville Road, Portland 97229**

My wife and I have lived across the street from the Reed's property for 17 years. After the Reed's purchased the property, we've watched it transformed from abandoned buildings and neglected farmland, into something special- thanks to Scott Reed. It is unfortunate and unfair that the city has taken so incredibly long to allow the Reed's to build a family home. Their children should be growing up on this beautiful property. We welcome the proposed home for their family as a great addition to our neighborhood.

We stand with the Reed's and their lovely prospective home.

Sincerely,
