Case File: T2-2021-14981

Location: [12424 NW Springville Rd Portland](#)

This is regarding Case File referred above.

There is water and soil run off from the property to the trail next to it.

This has been a problem since landscaping work has been done on the property.

The trail is waterlogged and has become less usable.

Attached are pictures of the property and the trail next to it.

Thanks,

Raj
