Tree/Vegetation

18611 Nw Sauvie Island Rd Portland, Oregon, 97231

 Open  5/20/25 1:53:35 PM

Vegetation in the ROW is creating hazardous site distance from existing driveways. Per County ROW staff site distance cannot be met because of vegetation in the ROW. We are happy to work with you to take care of this if needed.

Is the tree/vegetation blocking the travel way?

No

Is the tree/vegetation posing an immediate safety issue?

Yes
