Re: Request for Continuance  
County Case File: T2-2021-15041  
Our File No.: PRI37.1

Dear Hearings Officer:

Recall that we represent applicants Dan and Jennifer Prince in the referenced matter. Following up on the Sept. 9 hearing, Peter Finley Fry spoke this week on the applicants' behalf with County planning staff regarding the utility of continuing this matter for an indefinite period in order to facilitate a solution to the applicants' underlying problem.

The applicants see the wisdom in this idea. Because it offers the reasonable possibility of avoiding the need for decision on this appeal, I agree.

As such, we respectfully request continuance of the pending Sept. 23 open-record deadline until the earlier of (a) seven days after a written request by either the applicants or County staff (with contemporaneous notice to the other) or (b) March 6, 2023 (being the 365<sup>th</sup> day after the application was deemed complete). Should the Hearings Officer grant such continuance, the applicants toll the 150-day clock of ORS 215.428 for the duration thereof.

Thank you for your consideration.

Very truly yours,
