My name is Antonia Kreamier and I am running for Fairview City Council to bring child safety and political sanity back to the forefront of the public discussion. For too long, many of our children are forced to walk on streets with no sidewalks. There has been lots of talk about fixing the problem, but not enough action. It is high time for that to change and I intend to be the city councilor that implements the change.

As a citizen of Fairview, I've noted much political strife in City Hall and feel it is time to make a change towards compassionate cooperation on City Council. I work with various communities; professional, religious, and cultural, on a daily basis where I have learned firsthand how to foster cooperation among citizens and government agencies, I intend to bring this expertise to Fairview for the betterment of the community and the livability for the citizens.

I am also interested in helping to develop an Urban Renewal Plan that will keep local tax dollars here in the City of Fairview that we can utilize to help increase the services and quality of life for the citizens of Fairview.
