**Occupation:** Residential Home Designer

**Occupational Background:** Suntel Home Design

**Educational Background:** Phoenix Institute of Technology

**Prior Government Experience:** Fairview Planning Commission 2006-2016, Fairview City Council 2016-2023, Mayor of Fairview 2023-2024

I have lived in Fairview for 24 years with the large majority of that time serving the residents of Fairview on city council, planning commission and helping with city events. I chose to build my home here, raise my daughters here and I intend to live my retirement here. I love Fairview and I've seen it gone through some significant changes through the years. We still have room to grow and it's more important than ever to make sure that the growth is done intentionally and with thoughts to future impact in mind.

**Public Safety:** I am proud to see the progress we have made on significant safety issues such as adding much needed sidewalks along 223<sup>rd</sup> between Halsey and Bridge Street. We are working with Multnomah County on adding a pedestrian walkway to the railroad underpass along 223<sup>rd</sup> North of Sandy Blvd and we are starting on plans for pedestrian improvements to Sandy Blvd.

**Financial Health:** In 2023 we passed a 2-year biennium budget as a balanced budget with no deficit spending and we are looking at doing the same in 2025. Fairview has two contracts that are expiring soon, one with Gresham Fire and the other with Multnomah County Sheriffs and it's important to me that both not only meet the needs of the City but also meet our budget.

**Growth and Development:** Fairview has seen great economic development with the successful Fairview Food Plaza and we look to provide more improvement with upcoming projects like the Heart of Fairview development at the corner of NE Halsey and Village St.

I appreciate your support while serving as Mayor of Fairview
