

Free OneTouch[®] Glucose Meter

All WellDyne prescription plan members are eligible to receive a **free** OneTouch[®] glucose meter.

To take advantage of this offer:

- Ask your healthcare provider to write a new prescription for an eligible OneTouch glucose meter and test strips.
- Provide your prescription and voucher below to a network pharmacy to receive your meter.

It's important to track your blood sugar

Monitoring your blood sugar level is a critical component of a successful diabetes treatment plan. It helps you understand how factors such as medications, illness, diet and activity affect your body. Optimize your health by tracking this important information.
