Successes and Challenges

A selection of successes from Nondepartmental agencies includes:

- Multnomah County is one of the greenest and most efficient local governments in the nation. The Office of Sustainability has led this effort providing critical direction, policy analysis, project management, and accountability ensuring the County saves resources and money.
- The Citizen Involvement Committee provides direct citizen voice into program development and direction and conveys citizen input to officials and departments through reports, recommendations and meetings. This maximizes the value of citizen input, giving citizens a greater sense of ownership in the County decision-making process.
- The County Attorney's Office demonstrates continued success in resolving cases through zealous advocacy, motions practice, and at trial.
- The Chair's Office has led efforts to streamline and modernize County operations; overseen energy efficiency increases that save the County \$1.3 million per year; leveraged partnerships to meet pressing community needs like a new Sellwood Bridge; and continued to champion services for the most vulnerable in the face of State and Federal funding cuts.
- Reports by the Auditor's Office in 2013 include the Financial Condition Report; a Payroll Audit to improve timekeeping accuracy; a Mobile Device analysis which resulted in new business processes for tracking and recording cell phone use; and an audit of the SUN Service System.
- The Regional Arts and Culture Council combined support from the County with City of Portland funds, Work for Art proceeds, and other sources to fund more than \$2.4 million in grants to 121 Multnomah County artists and 131 Multnomah County nonprofit organizations.

Diversity and Equity

Nondepartmental is the “home” of the County’s Office of Diversity and Equity (ODE), a hub for countywide diversity and equity initiatives. The office provides data analysis, training and consulting; policy, practice, and procedures review; coordination of diversity and equity initiatives; equal employment opportunity (EEO) and affirmative action compliance; recruitment outreach audits; and coordination and oversight for the County’s Employee Network Groups.

In FY 2014 ODE continues a culture change strategy and the Dignity and Respect pledge campaign is the centerpiece of this work. Outcomes and activities from that effort will include:

- Team building: establishing a countywide Diversity Committee to communicate and coordinate existing work across the county; and continued development of the Equity Council; an interdepartmental team that meets monthly to review policy and practices and make recommendations for change.
- Implementation: Creating a robust informal complaint mechanism including the existing hotline and tracking system. A variety of educational interactive efforts including book groups, Facebook and Twitter campaigns, educational videos and focus questions for countywide discussion. Enhanced communication and best practice sharing strategies will include ODE Website toolkits, social media, video messaging and desktop training.

The Office of Diversity and Equity in partnership with the Multnomah County’s Chair’s Office launched the Equity and Empowerment Lens which has a Racial Justice focus to address inequities in County services, policies, practices and procedures. The Equity and Equality Lens is a set of reflective actions, materials and tools designed to provide information for discussion, planning and decision making leading to more equitable policies and programs. The Office works with all county employees to begin integrating the Lens questions and educational information into their daily work. Read more about this initiative in program 10017B ODE Equity Lens Program.

Executive Summary

The Auditor's Office promotes efficient, effective, equitable and accountable government. Authorized by the County Charter, the elected Auditor and staff conduct independent, objective performance audits and special studies of county operations. Our audits examine program performance, service outcomes, management processes and general operations. We provide the public and County officials, as well as management, with an assessment of the quality, effectiveness and value of County services and identify opportunities for improvements.

Program Description

The most visible products of our work are audit and other reports, but our interactions with management and staff also can result in improvements to County services and delivery. In addition we provide internal and external accountability not only through our audits but in managing the Good Government Hotline for employees and the public. We work with the County's Audit Committee to further ensure financial accountability.

Audits and reports released, or to be released in 2012 and 2013 include: SAP Access & Identity follow-up; Payroll Audit; Good Government Hotline; SUN Service System; Mobile Device Management & Accountability; Contracting with Consultants; Salary Commission report; County Business Income Tax & Vendors. Audits underway currently include: Facilities; Mental Health & Addiction Services; and, County-wide Overtime.

✔ Measure Changed

- 1) Number of Reports Issued; temporary fte reductions affected output.
- 2) Recommendation Implementation rate - has been fairly consistent but considering ways to improve through biennial reporting by significant recommendation.
- 3) We are working to develop a new "Quality" measurement; our prior measurement (Auditees reporting survey) did not appear to provide meaningful information. Figures here are from last survey.

Legal/Contractual Obligation

County Charter 8.10 states, "The auditor shall conduct performance audits of all county operations and financial affairs and make reports thereof to the board of county commissioners according to generally accepted government auditing standards. The auditor may also conduct studies intended to improve the performance of county efforts."

Government auditing standards outline the requirements for planning, conducting, and reporting of audit work. Auditors are required to complete at least 80 hours of relevant training every two years. In addition we are required to have a peer review every 3 years to ensure compliance with standards; The Multnomah County Auditors Office passed that review in 2011 and will need to complete it again in 2014.

By Charter the Auditor's Office also appoints a Salary Review Commission every two years and performs redistricting every ten years. A Salary Commission will be appointed for 2014.

Executive Summary

The Tax Supervising and Conservation Commission (TSCC) reviews the budget and tax levying authority of all taxing districts that have more real market value in Multnomah County than in any other county. Starting in FY 11, districts with a population under 200,000 have the ability to opt out of the Commission's jurisdiction. As of the 2013-14 fiscal year, 13 districts have chosen that option. Perhaps the most important duties of the Commission are to: 1) act as a technical resource to budget staffs for both large and small taxing districts, and 2) publish a comprehensive annual report.

Program Description

There are five commissioners, appointed by the Governor to four year terms. Administrative employees, currently 2.4 FTE, are appointed by the Commission.

The Commission serves citizens by providing an extensive review of the budgets of the 27 local governments under its jurisdiction. The reviews are both procedural and substantive in nature. These types of review and the certification process distinguish TSCC from other regulatory bodies which do not receive copies of the budget document. TSCC's review also differs from the comprehensive audit in that our review is conducted prior to the adoption of the budget and can therefore prevent errors from occurring.

The Commission continues to assert influence beyond Multnomah County. Commission staff played a critical role in securing passage of HB 2425 (2011 Session) which updated Oregon's local budget law for the first time since 1963 affecting nearly 1,500 taxing districts. In December 2011 the Commission published a Recent History of Oregon's Property Tax System. This report has been very well received by officials from all 36 counties as well as legislative leaders and private citizens.

The commission conducts hearings on the largest taxing district's budget (population exceeding 200,000) and must certify any objections and/or recommendations for all districts prior to the district adopting the budget each year. The Commission also holds public hearings throughout the year on new local option levy or general obligation bond measure placed before the voters.

The Commission is required by law to publish an annual report of local governments' budgets, indebtedness, property taxes and other financial information. The report is often cited by citizen activists, news media and government officials as the most comprehensive source of budget and property tax information available in the entire state.

TSCC ensures that violations of local budget law are minimized, especially if the error results in a property tax levy that exceeds authority. TSCC works closely with the county assessor's office as a double check that property tax levies are entered and calculated accurately. TSCC's efforts seek to make the financial affairs of local governments at all levels more transparent and accountable to the citizens we serve.

Outcome	Outcome; Reduce the number of objections and recommendations in TSCC Certification Letters.	15	10	15	10
Output	Output; Conduct public hearings on approved budgets and property tax measures for taxing districts.	12	12	16	15

Performance Measure - Description

By reducing errors, taxing districts gain credibility with the citizens that they serve. The ideal result would be to have all taxing districts under TSCC's jurisdiction complete their budget process with no objections or recommendations included in the TSCC certification letter. Public hearings provide TSCC commissioners as well as citizens an opportunity to learn about and ask questions about the financial affairs of taxing districts.

Legal/Contractual Obligation

TSCC is mandated by ORS 294.605 to 294.705. Counties with a commission are required to establish an account in the general fund for purposes of funding the expenditures of the commission, "as submitted", up to a maximum appropriation of \$280,000 (ORS 294.630). This amount increases by three percent per year starting in 2011-12. For FY 2014 the maximum appropriation is \$305,963 (280,000 x 1.03 x 1.03 x 1.03).

Explanation of Revenues

There are no direct revenues. Expenditures of the Commission are included in the CAFFA Grant, bringing in an average of \$61,725 over the last four fiscal years. With the passage of HB 2074 (Chapter 596, Oregon Laws 2009), the County is reimbursed one-half of the net operating costs of the Commission from the districts under the Commission's jurisdiction. This change resulted in \$94,169 of new revenue for the County in 2009-10, \$97,393 in 2010-11, \$106,089 in 2011-12 and \$105,792 in 2012-13.

Executive Summary

The Communications Office is the central distribution voice to and point of information for taxpayers, the public and the news media, communicating what Multnomah County does and how employees work in the community to provide services. The office – using targeted communications strategies – works directly with the Chair’s Office, the Board, elected officials, and County staff to promote transparency and demonstrate how effectively local government officials use taxpayer dollars to support all residents. Also, the office works with the Chief Operating Officer to handle internal advisory communication for the Chair when it comes to critical information, including – but not limited to – county business, labor practices and negotiations, budget strategies and relevant political issues around labor practices, negotiations and other sensitive topics. Top goals include: providing taxpayers, the public and the media with stories and information about critical county programs; responding to public records requests; responding with urgency and immediacy to the public and media inquiries about the county; strongly carrying and promoting the values of the Board of Commissioners, both internally and externally; advising the Chair, the Board, elected officials, and County staff on the best approaches with taxpayers, the public and the media; creating materials that increase the county’s visibility; committing to and working with the highest standard of transparency for the sake of the public; and developing new ways to reach out to county residents by inviting them to participate in local government.

Program Description

This office will aggressively and consistently inform the public of stories and events that provide a high level of understanding of what the county does with taxpayer dollars and how local government makes a difference in people’s lives. The office will employ a wide range of media – television, newspapers, radio and digital media, as well as direct communications to the public, including appearances and community meetings – to reach a diverse audience and proactively increase the visibility of Multnomah County and the services it provides to all residents. The office will be the lead on ensuring the public that Multnomah County government is efficient, transparent and open to dialogue with its residents.

The County Attorney collaborates with risk management, provides legal training and strives to provide clients with appropriate advice before legal issues become legal problems.

Program Description

The Office of County Attorney prepares and reviews legal documents including contracts, Ordinances, Resolutions, Board Orders, Executive Rules, Administrative Procedures, and others. It provides legal advice and counsel to the Board of County Commissioners, the Chair, the Sheriff, the Auditor, the District Attorney, County Departments, Offices, Advisory Boards, Districts, Commissions and Committees. Performance Measure - Description

The number of attorney direct service hours represents attorney time dedicated to litigation, legal consultation, legal document preparation and review, and client training. Direct service hours exclude time spent on professional development, administrative, clerical, or office related tasks. Office attorneys dedicate the vast majority of their time providing direct services.

A tort claim is a notice of intent to bring a lawsuit for damages against the County or its employees. A downward trend in the number of tort claim notices could be attributed to a number of factors, including consultation with attorneys on policies and practices to establish best practices and avoid unlawful conduct.

Executive Summary

The central purpose of Multnomah County's Local Public Safety Coordinating Council (LPSCC) is to coordinate the public safety plans, policies, operations and strategies of local government agencies to improve the local public safety system's cost-effectiveness and responsiveness to the needs of the community. Since 1995, LPSCC has convened leaders from local governments; public safety, social service and education agencies; private service providers and local communities throughout the County to collaborate on the development of (a) solutions to problems in the intergovernmental operation of the public safety system, (b) coordinated policies to improve that system and (c) evidence-based strategies that address issues important to community safety. The Council directs the work of several subcommittees and smaller working groups that focus on the most critical issues within the justice system. It also oversees the operation of DSS-Justice, the County's public safety data warehouse and decision support system.

Program Description

Senate Bill 1145 (1995) established LPSCCs in each of Oregon's 36 counties to "coordinate local criminal justice policy among affected criminal justice entities" (ORS 423.560). To carry out this mission, LPSCC's Executive Committee meets monthly to share information, identify issues and problems affecting public safety and oversee development of new plans, policies and strategies. The Executive Committee is co-chaired by Multnomah County District 3 Commissioner Judy Shiprack and City of Portland Mayor Charlie Hales.

LPSCC also directs the work of several subcommittees and smaller workgroups that focus on key issues within the public safety system, such as youth and gang violence prevention, coordination between the public safety and mental health systems, and juvenile justice. These groups typically report to the LPSCC Executive Committee once every few months, depending on how often the group meets.

In its FY 2010 adopted budget, Multnomah County's Board of Commissioners formally transferred responsibility for the administration of DSS-J to the County's Local Public Safety Coordinating Council (LPSCC), which agreed to oversee the development of DSS-J and ensure data security through a Policy Committee.

In FY 2014, the Council will fund the following staff: a full-time Executive Director, who directs and coordinates inter-agency public safety policy discussions; a full-time Public Safety System Analyst, who examines cross-agency data and relevant policies to identify improvements to the public safety system; a full-time Executive Assistant, who provides organizational and communications support; and a part-time, temporary assistant, who provides research assistance on special projects.

LPSCC facilitates communication and collaboration among public safety and community leaders and oversees development of public safety plans, policies and strategies through monthly meetings of its Executive Committee. Therefore, a major part of LPSCC's performance is measured by meeting attendance of its members, which reflect the value of these meetings, and members' satisfaction with the results of these meetings.

Executive Summary

A community of involved citizens is fundamental to building trust and accountability in Multnomah County governance. This offer provides the resources for the Citizen Involvement Committee (CIC), through its Office of Citizen Involvement (OCI), to energetically pursue this goal.

Program Description

The CIC maintains a publicly-accessible office providing a clearinghouse for information about and entry into a bevy of county citizen opportunities. The CIC provides ongoing independent assessment of citizen participation opportunities; identifies and works to remove barriers to participation through live forums, Departmental Reviews, and Diversity Outreach trainings; advocates in partnership with other governmental and non-governmental organizations for citizen involvement in policy and decision-making; coordinates independent Citizen Budget Advisory Committees (CBACs); implements the citizen-driven Dedicated Fund Review; and recognizes the dedication of county's volunteers by hosting the annual Volunteer Awards Ceremony for all county departments. The CIC and OCI provide direct citizen voice into program development and direction early in decision-making processes and convey citizen input to officials and departments through reports, recommendations, meetings. This maximizes the value of citizen input, giving citizens a greater sense of ownership in the process.

This offer supports county accountability strategies in multiple ways by: 1) Fostering and supporting actively engaged communities of citizens working with the county; 2) Enhancing the public's awareness of county operations and providing venues for citizen contribution to program development and direction, including live forums and online surveys; 3) Focusing efforts on seeking out and engaging underrepresented communities, including maintaining a Spanish-language version of the CIC website; 4) Providing citizens a single entry point for involvement information; 5) Regularly updating its websites, database & publications with current volunteer opportunities; and 6) Creating consistent protocol for citizen involvement activities. This offer ensures the resources necessary to: maintain a centralized and current database of volunteers and interested citizens; maintain an up-to-date bilingual website listing volunteer information and opportunities; create consistent expectations and processes for citizen involvement activities; expand training and support of county volunteers and staff; and increase community outreach, especially to underrepresented communities who do not normally participate in county government, through online and real-time opportunities

Performance Measure - Description

The performance measures for this program offer essential measurements of efforts to notify and educate the public about the county and citizen involvement opportunities. OCI's enhanced use of our webpages, social media accounts, online volunteer database, and live recruitment in the community increases the public's knowledge of and likely participation with county citizen involvement opportunities.

The CIC, through the Office of Citizen Involvement, is engaged in pro-active work with county officers, county employees and the larger community to enhance the understanding and acceptance of the value of active citizen participation in county governance. This has been and remains the core mission of CIC. Activities such as live topical forums, online surveys, the Spanish website, Travelling Recruitment Campaign, a sub committee focused on outreach and diversity issues, and the development of additional resources for advisory committee staff have expanded CIC partnerships throughout the county community.

Executive Summary

Emergency Management coordinates disaster preparedness activity in Multnomah County. This includes planning, training, exercise and equipment procurement for County staff and some departments as well as coordination with cities, special districts and non-governmental organizations. By developing relationships with community partners, Emergency Management bolsters citizen preparedness community resilience.

In an disaster, Emergency Management functions as the state-mandated conduit for obtaining state and federal resources to support local emergency response for the County, cities and districts, and coordinates emergency and disaster declarations.

After an emergency, Emergency Management coordinates with state and federal agencies that provide financial assistance to families effected by the incident and guides the community recovery process.

Program Description

This is the core Multnomah County Office of Emergency Management (MCEM) Program offer and the basis for the Emergency Management UASI Regional offer (10029) and the COOP Specialist Program Offer. Program focus includes: 1) County general and departmental preparedness; 2) Intergovernmental preparedness; and 3) Citizen and community preparedness and resilience. This work is done with strategic and policy guidance from the Operations Council. MCEM also receives input from local jurisdictions, districts and agencies engaged in emergency planning.

MCEM understands that a resilient community can potentially reduce the burden on limited emergency response capacity in a severe emergency. For that reason, MCEM works with businesses, non-governmental organizations, faith based groups, volunteer organizations and directly with community members to encourage disaster resilience and create a coordinated response to disasters.

MCEM contributes to Climate Action Plan Objectives 17-1 to assess climate-related vulnerabilities, strengths and resiliency; and 17-5 to collaborate with Metro and state agencies to update hazard mapping and inventories.

During an emergency, MCEM activates and manages the County Emergency Coordination Center (ECC) which is staffed by employees from various County departments to provide a single location where strategic direction, response coordination and resource support for incident response is carried out.

Overall program activity is informed by the Emergency Management Performance Grant work agreement, which includes staff training plans, a rigorous disaster exercise schedule, disaster plan management and coordination with volunteer, state and federal partners.

Performance Measure - Description

Output: Annual exercise of Emergency Coordination Center and evaluation of performance of established objectives in an After Action Report (AAR). Exercises are expected to reveal performance deficiencies and lead to focused improvements. Actual emergency activation may substitute for an exercise and a self-reported AAR is submitted to the State (as in FY09-10 H1N1 activation).

Outcome: There are 5 project areas, each with multiple activities, in the annual FY 11 Emergency Performance Grant (EMPG). This annual measurement covers required activities for a competent emergency management program. EMPG grant performance projects overlap County Fiscal Years.

Legal/Contractual Obligation

ORS 401 requires Multnomah County to develop and maintain an effective emergency management program and Multnomah County Ordinance 1138 establishes the County's Office of Emergency Management. ORS 401 requires resource requests and emergency/disaster declarations be submitted by the County Emergency Management Director to the Director of Oregon Emergency Management.

Executive Summary

This FTE provides assistance in planning, training, response and coordination, as well as community outreach around disasters. Smaller cities within the county do not have emergency management programs but still have the need to coordinate their local first responders (police, fire, public works, volunteers, etc) in times of disasters. This assistance will allow our smaller cities to become more resilient to disasters and help protect our communities within our County. Planning and training at the local level will further enhance our preparedness to our communities and our citizens outside of the Metro area where resources are limited but risk to hazards are not.

Program Description

This scaled offer would provide assistance to our eastern and smaller cities that are currently being serviced by an FTE that Gresham funded with 50% of its funding from a federal grant, Emergency Management Performance Grant (EMPG). The other 50% match to the federal grant comes from local cities. The 50% local match was split up between the local cities receiving services from this position with contributions from (Fairview, Wood Village, Troutdale and Gresham).

Executive Summary

This offer is built on the core Emergency Management program offer 10012. Multnomah County maintains active engagement in the Department of Homeland Security Portland Urban Area Security Initiative (UASI) region emergency policy, planning and preparedness efforts. UASI provides funds to jurisdictions and agencies within the region for regional planning staff, supplies, equipment, training and planning.

Program Description

The UASI region includes Clackamas, Columbia, Washington, Multnomah and Clark (WA) counties, and the City of Portland as the administrative agency. UASI grant funds are used regionally for a wide range of preparedness and response capacities in areas such as transportation, law enforcement, IT security and citizen preparedness. The County's Emergency Management Director and regional counterparts serve as the steering committee for this grant. This offer reflects MCEM's staffing positions for UASI support to a variety of inter-jurisdictional working groups and Committees.

While these staff are located in the Multnomah County Office of Emergency Management, their work is focused on regional projects with regional benefit.

Executive Summary

Continuity of Operations and Government (COOP/COG) planning is an effort within individual departments to ensure the continued performance of minimum essential functions during a wide range of disruptions. Essentially, it is the capability of maintaining the business of government under all eventualities. This offer also supports COOP orientation and training for the County's contracted human service providers.

Program Description

COOP plans guide the County when services are disrupted by a catastrophic event as well as when services are compromised by inclement weather, utility disruptions, water leaks, or severed communication links. This is accomplished through the development of plans, comprehensive procedures, and provisions for alternate facilities, personnel, resources, redundant communications and vital records/databases.

This offer continues COOP planning based on a completed countywide Business Impact Analysis (BIA). The BIA has been completed for all Departments' essential functions in order to measure the impact of disrupted County services on public safety, health and welfare, ability to meet federal/state regulatory requirements, revenue and economic viability, and other criteria. Tier 1-5 priorities and their associated maximum tolerable downtimes have been identified for each department/office involved in the COOP planning process.

The BIA results are critical to development of mitigation strategies, IT Disaster Recovery plans, Facilities and Property Management Strategic Planning and development of a Records Emergency Action Plan (REAP). The COOP program is closely coordinated with DCA/IT Disaster Recovery planning staff during COOP plan development.

This offer supports the input of COOP plans into a web-based planning tool; update of plans across departments; identification of alternate facilities/personnel and essential records/databases; finalization of plan activation and maintenance agreements; and evaluation of the plan in an exercise. This offer also supports ongoing training of COOP Functional Staff and Leadership. Finally, a Continuity of Government Plan (COG) will be developed that captures how the essential functions of both the executive and legislative branches of the County will be sustained under any circumstances.

This offer also supports COOP orientation and training for the County's contracted human services providers using the model developed for County departments.

Executive Summary

This program offer will build on a regional vulnerable populations emergency planning framework to integrate the needs of populations with physical, sensory, mental health, cognitive or developmental conditions into the County's disaster planning.

The project funded by this offer will tie vulnerable population needs into the County Emergency Operations Plan, and include building mapped information into Emergency Management's web-based mapping tool used for planning and response coordination.

Program Description

A Regional Vulnerable Populations Emergency Annex was developed in 2010 to assist counties in our region in understanding the functional needs of individuals in an emergency. This document provides a framework for integrating vulnerable populations into the County's disaster planning. These individuals can be challenged by rapid onset events, isolating events, power failure or large-scale and prolonged events. Issues such as appropriate alert and notification, transportation, evacuation, shelter requirements, durable medical needs and behavioral health issues in shelter populations will be addressed by this offer.

Using the framework document and subsequent analysis based on RAND Institute and National Council on Disability reports, this offer will fund a project to build vulnerable population needs into the current County Emergency Operations Plan (EOP). The project will work with departments including Department of County Human Services and Health as well as community stakeholders to integrate departmental planning with the EOP.

Additionally the project will work with IT/GIS to facilitate the use of geo-coded information including demographics, service sites, and transportation routes into planning and response tools. Requirements for a vulnerable populations registry that would more readily integrate with alert and notification systems and 911 call/data system will be identified.

The Equity and Empowerment Lens is ODE's analysis, critical thinking and quality improvement tool.

Program Description

The Equity and Empowerment Lens with a Racial Justice Focus is a groundbreaking tool that is changing equity and social justice work nation-wide. This offer supports 1 FTE Program Specialist Senior and materials and printing costs for ongoing County-Wide training on the Lens. Chair Cogen, in the introduction to the Lens, articulates it's importance and function, "These are adverse and challenging times we live in. But while we are all struggling, we know that for some members of our community these adversities and challenges are disproportionate and glaring. Multnomah County faces enormous inequities that are well-documented. Communities of color, immigrants, and refugees are bearing the weight of disparity in poverty, educational attainment, chronic health conditions and mortality... The Equity and Empowerment Lens, which has a racial justice focus, embodies social responsibility policy, program or practice in regards to the fair and just distribution of resources and representation. We are learning great things as we begin the process of integrating and institutionalizing the Lens county-wide. The inequities in our community are unjust, systemic in nature, and avoidable. ..By holding a laser-like focus to our policies and operations with values like inclusion, social, and racial justice leading the way, we can change the way we do our business to promote more equitable conditions and opportunities for our employees and the entire community."

ODE works within the County to improve workforce collaboration, communication and accountability. ODE collaborates with jurisdictions across the region to change the underlying systems that create social injustice and race-based disparities in our communities and to increase the economic success of all county residents. The Multnomah Youth Commission, the official youth policy body for Multnomah County is a group of 24 young people, ages 13-21, that strives to provide a voice for youth in the County's work. In addition to its advisory role within local government, the MYC works to improve the community through service projects. The work of MYC is guided by "Our Bill of Rights: Children + Youth," the nation's first Bill of Rights written by and for young people and adopted by a local government.

Program Description

This program offer supports the work of the Multnomah Youth Commission (MYC). The Multnomah Youth Commission serves the County in several important ways. The Elected Official Liaison Program: Each elected official at the County has a youth liaison to help inform the policy and program decisions of County elected officials with the views and insights of local youth. Youth commissioners and staff provide training and technical assistance for community organizations, government agencies, and businesses. The MYC advises and make recommendations on policies and programs to ensure that young people form relationships with caring adults, build skills, exercise leadership, and help their communities while obtaining the opportunities, necessary to become healthy, productive adults; and Assists in the coordination of policies and actions creating more youth friendly communities. The Multnomah Youth Commission is working with youth and adults throughout our community to change the way violence is viewed and dealt with. The Youth Against Violence Committee, formed in response to the growing violence directed towards young people in the forms of gang, anti-gay and gender-biased bullying and sexual violence. The Rob Ingram Youth Summit Against Violence, where youth caucus, build community and consider youth-driven policy recommendations is another important way the MYC works to address violence in our communities. The goals of the summit are: Provide resources for youth to deal with violence they have experienced or are currently experiencing in their lives; Inform policy makers about the experiences youth face regarding violence; Provide policy recommendations; Educate youth and adults about "Our Bill of Rights: Children + Youth" and the importance of its implementation into all decision making arenas in the community; Bring diverse youth from across the region together to share ideas and experiences regarding violence and build a youth movement for social change. This program offer includes 1 FTE Program Specialist Senior, \$15,000 for temporary administrative support and \$16,000 for two youth to work 12 hours/week each in program support roles.

Executive Summary

The Office of Sustainability seeks to support the safety, wellbeing, and prosperity of both current and future county residents by focusing on foreseeable, long-term trends that threaten Multnomah County's ability to support and empower all residents to strive for their maximum potential.

Program Description

As a result of years of addressing important long-term environmental threats such as climate change through efforts dating back to the turn of the century as captured in the 2001 Action Plan for Global Warming, Multnomah County is widely recognized as one of the greenest and most efficient local governments in the nation. The Office of Sustainability seeks to build on this legacy of excellence by institutionalizing a County-wide focus on securing the prosperity of future generations. To that end, the Office of Sustainability supports Multnomah County's continuing ability to provide critical services to residents by (1) creating an organizational culture that promotes and celebrates innovation in addressing trends that undermine the long-term prosperity of all community members, (2) supporting departments in developing and implementing strategies to address these trends through mitigation and adaptation efforts, (3) supporting operational efficiencies to reduce costs, and (4) developing shared metrics that allow for centralized tracking of progress towards mitigating foreseeable trends.

This performance measure tracks the reduction in greenhouse gas emissions from Multnomah County's operations since 2001, when the county adopted its first climate action plan and began tracking data. A 27% reduction translates to over \$1.5M in avoided energy costs.

Outcomes: The County's recycling goal is 75% by the end of 2012.

Outcomes: The BUFA program is a partnership with OSU Extension to develop farmers who can grow food profitably on small plots of land in and around urban areas.

Executive Summary

The Beginning Urban Farmer Apprenticeship Program (BUFA) provides training and mentorship to enable individuals to break into the field of sustainable small-scale, urban farming, enabling residents to begin their own farming businesses or enter the farming workforce.

Program Description

Small farms have been gradually disappearing from Multnomah County since the 1970's, and the average age of the Oregon farmer is 57 years old. And that average age continues to climb. Because fewer people pursue farming as a career, there are scant opportunities for training and mentorship for farming of any variety, and especially for the specialty skills needed for small-scale urban farming.

Despite the lack of people pursuing farming as a career, demand for food, and especially for food that is grown locally using responsible methods continues to increase.

BUFA is an 8-month, growing season-long, training and mentoring program for aspiring urban farmers to supply them with the knowledge and skills they need to become a new generation of sustainable small-scale, urban farming. Participants receive training via the classroom and on-line as well as significant hands-on, in-the-field apprenticeship work throughout the growing season with experienced farmers.

Executive Summary

The Economic Development Program works with the Multnomah County Board of Commissioners to leverage existing county programs and policies to enhance the competitiveness of local businesses, increase the economic success of all county residents, and engage Multnomah County businesses as vital members of the community.

Program Description

The Economic Development Program seeks to reduce barriers for residents striving to improve their lives economically and to inspire residents to support all community members pursuing their maximum potential. The program identifies opportunities to increase the stability and quality of the workforce, decrease unemployment and underemployment for all county residents, bring more capital and technical assistance to small businesses, and foster an environment where business and the broader community participate respectfully in constructive dialogue. The program works with businesses, trade associations, labor groups, non-profit organizations, other County divisions, and the state, federal and other local governments to identify and pursue these opportunities.

The program also manages contracts with local micro lending institutions that increase the amount of financial and technical assistance available to small businesses, oversees and reports on Multnomah County's expenditures of State Lottery Funds, manages the County's engagement with a summer internship program for youth working in city and county government, and provides staff support to the Business Advisory Council.

The program is run by the Economic Development Director, who works with the Multnomah County Board of Commissioners, in consultation with the Business Advisory Council, to set and achieve economic development goals.

Executive Summary

This program offer funds \$70,000 for outreach, financial education, training, and other support services for small businesses in Multnomah County that are eligible to receive financial assistance under Multnomah County's micro lending program.

Program Description

Many small businesses and new start-ups in our community lack adequate access to credit. While banks provide loan capital to the most credit worthy borrowers, many small and start-up businesses in our community cannot meet the necessary criteria to access traditional bank financing. In addition, county residents interested in starting or expanding small business ventures often lack specific business skills, necessitating that training & support be paired with the loan.

Micro lending organizations (which compete with credit cards, loans from family and friends, and even with disreputable 'loan sharks') fill this borrowing gap. In addition, the micro lending programs currently active in Multnomah County do not have resources to provide the technical assistance necessary to train and support a very small fraction of their potential clients adequately. Because most of the scarce technical assistance funding that is currently available can only be used after loans are made, there are even fewer resources available to help businesses get into the position where they can apply for and get a loan.

These funds will enable MercyCorps NW and Microenterprise Services of Oregon, the current providers of micro lending services under Multnomah County's micro lending program, increase outreach efforts and provide pre-loan assistance for prospective borrowers at some of the lowest income levels.

Executive Summary

The Regional Arts & Culture Council (RACC) provides contract services to Multnomah County and its residents. Formerly a county bureau (the Metropolitan Arts Commission), RACC became an independent 501(c)(3) organization in 1995 in order to leverage support from other regional government partners and private donors, ultimately investing much more in arts and culture than the County alone can afford. These investments create vibrant neighborhoods, enhance our children's education, and fuel the creative economy with measurable economic benefits for Multnomah County. This request for \$163,733 reflects inflation of 2.25% followed by a standard county reduction of 1%.

Program Description

RACC plays a vital role in the county's economic and community development efforts. Specifically, RACC provides services in five key areas: (1) Through Advocacy, RACC helps build support and resource for arts and culture. (2) RACC Grants provide artists and arts organizations with the base financial support they need to continue serving our community. (3) RACC's nationally acclaimed Public Art program, including the Multnomah County 2% for Art Ordinance, integrates a wide range of art into public spaces. (4) RACC provides other Community Services including workshops for artists, consulting for arts organizations, and a variety of printed and electronic resources; and (5) RACC is developing comprehensive Arts Education solutions for our community.

Arts and culture activities add measurable value to our region's economy and to our quality of life. Artists and arts organizations bring residents together for shared cultural experiences that stimulate creativity which in turn supports more innovative businesses and a richer educational experience for our children. A vibrant arts community serves as a magnet for young creatives, and Multnomah County's investment in the arts contributes to the competitive advantage we have over other regions in the country that are all competing to attract sustainable businesses and a creative, well-educated workforce. Multnomah County is home to a vast majority of the region's artists and arts and culture organizations, which together generate more than \$253.5 million for the local economy, and \$21 million for state and local coffers, every year.

Proposed program allocations for FY14 County dollars include: Advocacy and Development, \$11,500 (no change from FY13); Grants, \$103,146 (an increase of \$187); Community Services, \$5,000 (no change); Arts Education, \$30,000 (no change), and Management/General, \$13,900 (an increase of \$1,798 to cover expanded outreach to communities of color and geographically underserved communities in FY14).

LAST YEAR'S RESULTS, AND EXPECTED RESULTS THIS YEAR

ADVOCACY AND DEVELOPMENT. County dollars help RACC build more support from both the public and private sectors. The county's contribution last year of \$10,000 to Work for Art's matching challenge fund leveraged more than \$475,000 through workplace giving and other contributions from the private sector – money that gets re-invested in a wide variety of arts organizations in our community. RACC expects to achieve similar results for a similar investment in FY14.

GRANTS. In FY13, support from the County was combined with City of Portland funds, Work for Art proceeds, and other sources to fund more than \$2.4 million in grants to Multnomah County artists, arts organizations and schools. In FY14, RACC expects to award fewer projects grants due to budget cuts within the City of Portland, but more general operating support thanks to the passage of ballot measure 26-146, which will provide an estimated \$2.2 million in revenues to RACC by March of 2014.

PUBLIC ART. The County contracts with RACC to build and maintain its public art collection, and those programs are funded through a separate percent-for-art ordinance. (These dedicated revenues are not included in this request.)

COMMUNITY SERVICES. RACC provides valuable resources to artists and arts organizations at no cost to them through the RACC website (www.racc.org), monthly newsletter (ArtNotes) and other information services. In addition, hundreds of artists and arts administrators are served each year through RACC workshops and other technical assistance programs.

ARTS EDUCATION. RACC has been working to reverse the trend of declining arts education in our public schools by pairing artists with teachers to integrate the arts into the standard curriculum for K-8 students. "The Right Brain Initiative" is helping arts-based learning become part of classroom instruction in math, science, language arts, social studies and other subjects, and students are learning more because of it. Multnomah County funding is a critical to the success of this public-private partnership, which also includes support from foundations, businesses and individuals.

MANAGEMENT AND GENERAL. RACC's management and general expenses are low at 8%.

Executive Summary

This program offer accounts for Facilities charges for the State Courts and for the Tax Supervising & Conservation Commission. It also accounts for debt service on the new East County Courthouse, for pass-through payments to the Multnomah Law Library, and for maintaining the never-opened Wapato Jail.

Program Description

ORS 1.185 requires that counties provide court space for the operation of the state circuit courts. Multnomah County operates courts at the downtown Courthouse, the Multnomah County Justice Center, the Donald E. Long Juvenile Justice Center, and at the new East County Courthouse, opened in FY 2013. County-provided courtroom space is a key resource in the County's criminal justice system. Multnomah County courts' central locations allow easy access to the court system, provide visibility to the community of the public safety system at work, and allow the justice system to hold offenders accountable.

The County's Facilities Division is responsible for operating and maintaining County courtrooms, and for maintaining the Wapato Jail facility. The Facilities Division provides services ranging from planning, construction, and building operations and maintenance to cleaning the buildings and maintaining the grounds for courtrooms located in Multnomah County's owned and leased facilities. Facilities maintains the grounds, interior, and exterior of the Wapato Jail, and incurs costs for this maintenance and for utilities in order to minimize deterioration of the building.

The 2011 Legislature passed several bills that changed the way court fees are allocated among local programs. One local program, the Multnomah Law Library, is a recipient of a new allocation of fees through Multnomah County to the Law Library. FY 2014 is the third year of this new pass-through payment of about \$995,000 annually.

Debt service on the East County Courts is offset by a rebate received under the Build America Bonds program. Debt service costs are \$321,000 per year (net) from FY 2012 through FY 2020, and will be \$1.7 million per year from 2020 through 2030.

This program offer accounts for Business Income Tax (BIT) collected on behalf of and passed through to the east county cities of Gresham, Troutdale, Fairview, and Wood Village. These payments are prescribed in an intergovernmental agreement (IGA) that shares revenue from the BIT. Under the terms of this agreement, the four cities share 25% of the first 0.6% of BIT collections. This offer also includes the County's obligation to share Community Service Fee revenues generated through the Strategic Investment Program (SIP) with the City of Gresham.

Program Description

The BIT is imposed on the net income derived from business activity within Multnomah County. The BIT was originally set at a rate of 0.6% of net income. In 1985, the tax was increased to 0.95%. In 1987, the tax was further increased to 1.46%. In 1993 the rate was reduced to 1.45% due to the consolidation of collections with the City of Portland's Business License Fee (BLF). The County entered into a tax sharing agreement with the four east county cities, in part to acknowledge the value of business income derived from those cities. The County acts as a fiduciary agent for the four east county cities. The County entered into a SIP agreement with Microchip Technologies, Inc., in FY 2004. Under terms of that agreement, the company agrees to pay 25% of property tax abated in the form of a Community Service Fee. State statutes direct that the County share that revenue with the City in which the company receiving the SIP exemption is located.

Executive Summary

The Oregon Historical Society (OHS) is a private not-for-profit entity founded in 1898. Since 1899, it has received appropriations from (1) state government (except 2002-6) in recognition of its operation of the state history museum and a large Oregon history research library; and (2) Multnomah County (\$335k per year, 1999-2003) as a participant in the county library levy. Passage of special purpose levy 26-118 in November 2010 provides for levy support at the rate of \$0.05 per thousand of assessed value. Four east county historical societies (Fairview-Rockwood-Wilkes, Gresham, Troutdale and Crown Point Country) will together receive \$150,000 per year from the levy proceeds. The levy allocates the balance, estimated at \$1,594,253 in FY 2013, to the Oregon Historical Society for purposes described below.

Program Description

OHS operates the Oregon history museum, the Davies Family Research Library (Oregon and Oregon Territory), and educational programs for adults, families and school groups (also serves as the Multnomah County history repository). After nearly a decade of cuts in appropriations, programs, and service hours, the levy funding is providing basic operational support, as well as funding to underwrite the improved hours of service in the library, free admission to residents of Multnomah County and all school groups, improved collections development and care, and new and exciting programming. OHS is committed to serving the diverse communities of the region and the state, and reflects that commitment in its programs and collections.

Performance Measure - Description

The levy has provided basic operational support and has certainly increased OHS's public services. The library has been open 32 hours a week since the levy funding went into effect in July 2011, and has served an additional 36% of patrons. Due to the levy funding, the increased public programs are reaching more Oregonians than ever and OHS has had the ability to enhance collections care and display more of Oregon's treasures. In June of 2012, OHS was able to open their new permanent exhibit "Oregon Voices" which has doubled their capacity for school groups. Overall, the last calendar year has seen an increase in Multnomah County residence visits by 33% and a total attendance increase of 26%.

Legal/Contractual Obligation

Measure 26-118 provides the Oregon Historical Society with a five-year property tax levy at the rate of \$0.05 per thousand dollars of assessed value. Four east county historical societies (Fairview-Rockwood-Wilkes, Gresham, Troutdale, and Crown Point Country) will together receive \$150,000 per year from the levy proceeds.

Executive Summary

This program offer distributes revenues received from property taxes associated with railroad cars to local school districts. This is a statutory responsibility of Oregon counties (ORS 308.505 to ORS 308.665) and these revenues are dedicated to a County School Fund.

Formerly, revenues dedicated to the County School Fund included revenues received from the sale of timber cut on federal forest land. Federal legislation governing these payments has sunset as of FY 2012. Congress passed a one-year extension of this program for FY 2013.

Program Description

Since 1908, all counties in Oregon had received payments from the US government from revenue generated by the sale of timber cut on federal forest lands. State law specified how the revenue was to be allocated.

The federal law authorizing federal timber payments to counties, PL 106-393, sunset as of September 30, 2006. It was reauthorized by Congress for one year in 2007, and was renewed in 2008 for a four-year period, during which time the amount received declined each year. FY 2012 was to have been the last year in this 4-year extension. Congress re-authorized this legislation for one year in FY 2013.

The County School Fund also receives a portion of the ad valorem tax that is assessed on the value of rail cars as outlined by state statute.

Performance Measure - Description

The County School Fund provides a very small amount of the total revenue available to schools in Multnomah County. Arguably, this amount is not large enough to contribute meaningfully toward student academic achievement.

Legal/Contractual Obligation

ORS 328.005-035 outlines the requirement to establish a County School Fund. The apportionment of revenue from the sale of timber on federal forest lands is described in ORS 294.060, which states: "...moneys received by each county...shall be divided 75 percent to the Road Fund and 25 percent to the school fund of the County."

This program offer budgets the revenue and expenditures associated with the County's commitment to fund the Oregon Convention Center and the Visitor's Development Initiative. This program operates under intergovernmental agreements (IGAs) between Multnomah County, the City of Portland, and METRO. The program accounts for proceeds of the Transient Lodging Tax and Motor Vehicle Rental Tax that are passed through to METRO for operation of the Oregon Convention Center and other tourism related entities.

Program Description

This program accounts for a portion of taxes collected from area hotels, motels, and vehicle rental agencies. The Transient Lodging Tax has supported the Oregon Convention Center since 1986. The tax is set at 11.5% on all hotel and motel room rentals in Multnomah County. Cities retain 5% of the tax generated within their boundaries. Another one percent supports regional tourism promotion. The remaining 5.5% supports programs associated with the Oregon Convention Center, the Regional Arts & Culture Council (RACC), and the Visitors Development Board. The Motor Vehicle Rental Tax was increased by the Board of County Commissioners in April, 2000. This 2.5% increment is entirely dedicated to support of the activities noted above.

This program supports the Oregon Convention Center which hosts programs, conferences, and events that bring visitors and business groups to Portland. The tourism and travel industry is among the leading private sector employers in Oregon. Large conventions generate significant activity for local hotels, restaurants, and retail establishments. Travel Portland has estimated that a typical out-of-town convention delegate will spend between \$600-\$700 during a three-day stay in the region. A report prepared in 2011 by Crossroads Consulting Services documents the dollar impact of the visitors facilities managed by METRO. The report estimates the economic impact at just less than \$682 million per year.

Performance Measure - Description

The Oregon Convention Center (OCC) generates significant economic activity to metropolitan Portland and the State. Multnomah County accounts for 2/3rds of tourism related activity. Travel/tourism accounts for approximately 10% of metropolitan area employment.

Metro provides data analysis on total annual spending in millions of dollars (output) which is estimated to support the total number of people employed (outcome) in the travel/tourism industry.

Legal/Contractual Obligation

This program is mandated by IGAs that dictate how the revenues received in the Special Excise Tax Fund are allocated.

There is no discretion in allocating the revenue - all receipts are turned over per County Code and pursuant to terms specified in the IGAs.

The GO Bond Sinking Fund program accounts for the payment of General Obligation Bond principal and interest approved by the voters in May 1993 and May 1996. The 1993 GO Bond (issued in February 1994) to restore the historic Central Library and build the Midland Library. The 1996 GO Bond was issued in October, 1996 to remodel, construct, or purchase various Library and Public Safety facilities and equipment. Revenue to pay the debt is derived from property taxes and interest earned on the cash balances.

Program Description

Multnomah County's General Obligation debt was refinanced in FY 2010 to take advantage of historically low interest rates.

The 1994 and 1996 debt issues were rolled into one debt payment with the Series 2010 Refunding General Obligation Bonds. The savings to taxpayers as a result of this refinancing is estimated at \$5.2 million. Bond payments are made on time to maintain an investment grade rating on the bond issue. The careful management of debt has been noted as a key component in the County's most recent rating reviews.

Executive Summary

The PERS Pension Obligation Bond Sinking Program accounts for principal and interest payments on pension obligation revenue bonds issued December 1, 1999 in the amount of \$184,548,160 to retire the County's PERS unfunded actuarial accrued liability. Revenues that support debt payments are derived from charge backs to departments based on their departmental personnel cost.

Program Description

The County passed Resolution No. 99-218 on November 4, 1999, authorizing the issuance of up to \$200,000,000 of bonds to finance the estimated unfunded accrued actuarial liability of the County to the Oregon Public Employees Retirement System. Senate Bill 198-B, effective October 23, 1999, authorized the County to pledge taxes that the County may levy within the limitations of sections 11 and 11b, Article XI of the Oregon Constitution not subject to annual appropriation. On December 1, 1999 the County issued \$184,548,160 in Pension Obligation Bonds to fund its PERS unfunded liability.

Debt service payments are supported by a surcharge against payroll. The surcharge rate has fluctuated, on average, between 6% and 7% of payroll. A reserve is being established to support future, escalating debt payments in order to maintain the surcharge at a constant level.

Executive Summary

SummerWorks is the paid summer internship program that supports key interventions to prevent student dropouts by connecting youth to career pathways. It is the culminating experience in the Summer Youth Connect Continuum wherein students receive progressively more intensive academic support, and career and college experiences as they move toward graduation. The program is part of a regional workforce development program with partners including the City of Portland, Washington County, and several private sector sponsors.

Program Description

SummerWorks is part of the County's broader Economic Development Program that seeks to drive countywide economic development policy, expand relationships with Multnomah County businesses and promote job creation and a competitive workforce. This program will ensure that 50 youth gain valuable summer work experience at either County or external worksites. Under the program, youth ages 16-21 from diverse backgrounds participate in internships lasting between 6-10 weeks for a total of 180 hours. In addition to the internship experience, youth will receive work-readiness training and case management. County departments participating in the program and the County staff supervising the interns will receive a program orientation, planning assistance, and ongoing program support.

Executive Summary

The funds in the county's Behavioral Health Fund, which are maintained by the county, represent the accumulation of any unspent Medicaid dollars annually and interest earned on the fund balance throughout the fiscal year. The use of these funds is restricted by the federal government. The money can be used only for those individuals who are Medicaid eligible and are in need of mental health services authorized by the county according to Center for Medicaid and Medicare Systems (CMS) definition of medical necessity.

Program Description

This program offer is only for budgeting and accounting purposes.

The state requires the MHO to have a minimum reserve of \$250,000. Given the mental health responsibilities in our county and the number of Verity - Oregon Health Plan (OHP) members Multnomah County is responsible for, it would not be prudent to maintain the reserve at this minimum level. Best practice would support the need to maintain a minimum reserve account balance of \$12 million dollars. This amount approximately represents 3 months of operating capital that would be needed to support a system of Multnomah County's size. This would cover any reasonable but unexpected cost increases within our system or the need to transition existing business to another entity.

Executive Summary

This program offer budgets a number of 'fund level' transactions. These include transfers between funds, fund contingencies, and reserves.

Program Description

This offer includes the following cash transfers:

- General Fund to Capital Improvement Fund - \$8,861,646
- General Fund to Asset Replacement Revolving Fund - \$226,000
- General Fund to Information Technology Fund - \$1,500,000
- General Fund to Fleet Management Fund - \$1,203,958
- Federal State Fund to General Fund - \$1,029,600

The offer accounts for the General Fund Contingency, which is established at \$3,963,691. The General Fund Contingency also contains \$5,782,105 for a BIT reserve set at 10% of anticipated revenues.

The offer accounts for the 10% General Fund revenue reserve as described in the Financial and Budget Policies. The Library Fund contingency (\$5,598,059) and the Risk Fund contingency (\$14,695,328) and unappropriated balance are recorded here too.

Video Lottery revenues of \$5,229,915 and contingency of \$785,387 are recorded in this offer, while expenditures are reported in departmental program offers where they are spent.

Reserve and contingency accounts reflect prudent financial management of county resources. The reserve has been established at 10% - a level that Moody's Investor Services uses as a benchmark. The goal in developing the reserve policy was to shield the county from fluctuations in revenues available to fund ongoing programs. The policy articulates the conditions under which reserves will be used and outlines a process for replenishing them should they fall below the goal. The General Fund contingency cannot be accessed unless the BCC takes affirmative action to transfer it. Conditions under which the contingency can be used are limited, in most cases, to one-time-only expenditures.

Output	Transfers from Contingency	10	10	10	10

Performance Measure - Description

The level of reserves is one indicator of the County's financial position. Transfers from the General Fund contingency should be limited to events that could not be foreseen when the annual budget was prepared. With few exceptions, all transfers from the contingency should follow the Board's adopted Financial & Budget policies.

Executive Summary

This program offer budgets countywide, or 'corporate', revenues that make the General Fund. The General Fund is the primary source of discretionary revenue that supports county programs across all departments and service areas.

Program Description

For FY 2014, General Fund resources are estimated to be \$468.8 million, which includes \$56.0 of beginning working capital. The revenues budgeted in this program offer represent approximately 81.8% of the total General Fund. The primary ongoing revenue sources are property taxes, business income taxes (BIT), and motor vehicle rental taxes (MVRT). The remaining General Fund revenues are budgeted within departmental program offers.

Accurate revenue forecasting is crucial to the development of long range financial plans. It is the goal of the Budget Office to produce revenue estimates that fall within a range of (+/-) 2% of actual collections. The assumptions used to develop revenue forecasts should be clearly articulated to, and understood by, all decision makers in the budget process. The County's Financial & Budget Policies out the forecast process.

Explanation of Revenues

There are a handful of revenues that make up the bulk of the General Fund. These include (in order of size) - property tax, BIT, and motor vehicle rental taxes. The property tax is the single largest revenue in the General Fund at approximately two-thirds of ongoing revenue. It is governed by state statute and its' growth is limited by two constitutional measures which have been approved by the Oregon electorate. An explanation of the limitations imposed by Measure 5 and Measure 47/50 can be found in the Summaries section of Volume 1 of the budget documents.

A more complete discussion of the forecast assumptions can be found on the Budget Office website.
