# Values Statement

---

- Budgets can be used to oppress - and often are
- Valuing intercultural intelligence
- County employees should reflect people served
- Budget should be used to protect environment & public spaces
- By centering those most historically excluded, we can afford more to everyone
- We need to think generations ahead

# FY 2023 Budget Priorities

---

- Improve **Housing Stability** and **Security**
- Invest in **Behavioral Health Care**
- Emphasize **Culturally Relevant** and Specific Programs
- **Reduce Violence** in Our Communities
- Continue our History of **Transparent** and **Accessible Elections**
