Name: Grace Allott

Address: 33341, Se Carpenter Ln Gresham Oregon

Email: graceallott1@gmail.com

Testimony:

I take my dog for a walk once or twice a day down to the very start and end of Carpenter Ln. If the Portland water bureaus treatment plan is accepted. I will no longer be able to exercise my dog or myself on Carpenter Ln everyday because of the large trucks coming up and down the street at all hours. This will be a large inconvenience to me because I will not be able to walk anymore since I do only feel safe walking on Carpenter Ln.
