### **Re-Elect Eddy Morales: The Proven Leader We Need for Gresham**

In my time on City Council I have prioritized building a stronger, more secure Gresham for all our residents - a resilient city where we can all live, work, and play.

### **A Safe, Vibrant, and Inclusive Gresham**

- **Community Safety:** I know what it's like to lose family to senseless violence and to not feel safe in your neighborhood. As Council President I led the largest community safety investments in our city's history and created our Youth Violence Prevention Program.
- **Housing:** Under my leadership we were able to create over 374 high-quality units and will urgently work to expand homeownership programs, and workforce and family housing.
- **Homelessness:** In addition to increasing shelter and services immediately, we need to prioritize keeping people in their existing housing whenever possible. That's why I led the effort to find funding to keep over 400 Gresham residents facing eviction housed during the pandemic.

*"Eddy has earned our trust and has had our community's back. Eddy has been there for all of us, including securing additional funding to help with immediate community safety needs and advocating for long-term sustainable solutions."*

- Kevin Larson, President, Gresham Professional Firefighters Association
