No new initiatives until the police department is fully staffed.

Get Gresham Back on Track

As former Gresham City Councilor, Jerry put ordinances into place keeping Gresham safe, financially stable and clean – but the last two years of mismanagement, defunding the police, and ignoring the rule of law has plagued our great city reversing the previous direction. Jerry is running to put things right again.

Safety Over Politics

Our agency administration has become contentiously political rather than focusing on making our neighborhoods safe again.

Homelessness: Crisis on our Streets and Sidewalks

Rampant homelessness is a humanitarian, public health, and safety emergency. Gresham is a compassionate community that deserves safe streets and sidewalks. Homelessness compounded by drugs and mental health struggles require different solutions. Jerry supports proven programs that deal with the complex issues.
