Gresham is my home, and I wouldn't have it any other way!

I am a mom of three who will be in elementary, middle and high school next year. I work for a non-profit and love volunteering in our community. Currently, I am renovating the main city snack shack, serving on the Gresham youth football board and working alongside my husband, who coaches youth sports and baseball at Gresham High School. Together our family is deeply invested in the success of our Schools and community.

I am extremely passionate about kids, their future and looking at education holistically. I am running for the School board because I want to prioritize safer schools, foster authentic dialogue and evaluate programs with fresh eyes.

As a creative director, I know how to bring people together, navigate different personalities, and find innovative solutions. I am energetic, analytical, fast-paced, and idea-driven—all qualities that will help address budget shortfalls and safety concerns affecting our students today.

Together, we can make a lasting impact on the future of our schools.
