PSU: Architecture major, Spanish minor; Centennial High School

Prior Governmental Experience (elected or appointed)

Vice-Chair, Gresham Design Commission

Formatted Statement

Fellow citizen,

Gresham is at a crossroads. We need proactive leadership that listens to residents, solves problems before they become emergencies, and brings our community together.

Gresham can be a place where families thrive, businesses create opportunities and residents have confidence in their city government.

I will focus on:

1. Jobs & Opportunity: Create good, higher-wage jobs resilient to automation.

- 2. Safety & Resilience:** Strengthen hazardous-material emergency response, earthquake preparedness and infrastructure resilience.
- 3. Transparent & Accountable Government:** Give residents timely information via effective channels, meaningful opportunities to participate, and accountability in decisions — including the transition to water wells.
- 4. Sensible Development:** Support smooth development of projects that enhance our city at the right pace, scale and time.
- 5. Unity:** As a non-affiliated candidate I will keep our city council truly non-partisan, collaborative and effective.

City council has strong business representation. It's time we add a new professional lens. I bring years of architectural and engineering office and construction-site experience, along with legal interpreting experience that exposed me to our judicial system and the challenges residents face. I bring a track record of choosing principle over personal gain. I rejected a conditional campaign donation rather than compromise my principles. You can count on me not to sell the common good for greed or corrupt behavior. I humbly ask you to help me, help you. Vote Krestina Aziz. AzizforGresham.com
