

# Father Involvement

HBI's Father Involvement program recognizes engaged fathers and partners as one of the most important protective factors for mothers and infants to achieve optimal health outcomes. The Father Involvement program supports fatherhood success by providing culturally responsive services to Black American, African Immigrant and Refugee fathers. HBI Father Involvement services and supports are available independent of the mother's involvement in HBI services.

Access the meeting links at [multco.us/hbi](https://multco.us/hbi)

## Man Cave Monday

Space for fathers to network & socialize.

Every 3rd Monday from 6pm-7:30pm at
