### **What Does the [Student Health Center \(SHC\)](#) Program Do?**

The Student Health Center (SHC) program operates clinics in 9 high schools in Multnomah County. We facilitate access to comprehensive preventive, primary, and mental health care for school-aged youth. Our SHC teams work with school and community partners to promote the whole community, whole school, and whole child health, and we strive to empower youth voice through Youth Action Councils at our high school SHC sites. This internship will focus on the coordination of Youth Action Councils (YACs) and will work in partnership with youth, SHC staff, and schools to promote health in school communities.

### **Intern Responsibilities:**

- Collaborate with the health center team to co-coordinate and facilitate community outreach and youth engagement
- Partner with youth and program staff to identify, develop, and implement health promotion projects and campaigns

- Support communication and partnership building with SHC staff, school and community partners
- Conduct recruitment activities to increase awareness of the SHC and participation in YAC
- Assist with program tracking, evaluation, administrative tasks, and continual improvement of YAC & SHC programming

**Learning Opportunities:**

The intern will have the opportunity to engage in school-based public health and youth development work; receive training; network and partner with employees from the health department, schools, and community-based organizations; and apply relevant concepts and skills from their coursework. The internship will be under the direction of the Student Health Center Project Manager and will work closely with our Community Health Specialist during their summer outreach.

**Qualifications:**

- Enrolled or plan to enroll in a graduate or undergraduate degree program in a relevant field (e.g. public health, education, social work, etc.)
- Experience or strong interest in working with youth in a high school setting
- Strong communication, facilitation, organizational, and interpersonal skills
- Ability to work independently and as a member of a diverse team
- Knowledge and skills in one or more of the following areas: health promotion, adolescent health education, positive youth development, participatory action research, and/or program evaluation
- Ability to commit to 20-32 hours per week and consistently attend Youth Action Council meetings
- Candidates with professional and/or lived experience with diverse, marginalized communities preferred
- Finalists must pass a background check

**Workforce Equity:**

**Our Commitment to Safety, Trust and Belonging:** Multnomah County is committed to developing, nurturing and continually improving workforce equity by identifying and addressing the structural and policy barriers to equal employment opportunity faced by our employees and communities.
