Hi Alan,

Please see the email below, and let us know if this should be allowed or not. Thanks.

Scott

Unfortunately, I just became aware that my rebuttal exhibit bounced back to me from Multnomah County email due to a technical issue. I am asking that you allow my rebuttal to be entered into the record. I believe that I am the only one who has addressed this specific concern, below. Otherwise, I would not beg your indulgence with this ask.

Thank you very much for your consideration of this matter.
