For 30 years, I have served Oregon's public school students.

I want to use my experience, passion for service, and love for students to strengthen MESD in its mission to empower our children.

I have **three priorities:**

- **Culturally Inclusive Programming:** Parents of MESD students have shared their concerns with me about this issue. I will work to ensure MESD programming reflects all Oregon communities.

- **Success Metrics:** How is MESD retaining top staff? What feedback do component districts have about programming? I will be involved from day one in setting measurable success metrics at MESD.
- **Greater Visibility:** More folks should hear about MESD's success. I will share MESD's successes with leaders in Salem and Multnomah County, to broaden funding streams and pursue programming in line with the quality education model.
