INCIDENT REPORT SUMMARY

Confidential Health Information Enclosed

Health care information is personal and sensitive information related to a person's health care. It is provided to you after appropriate authorization from the resident or under circumstances that don't require patient authorization. You, the recipient, are obligated to maintain it in a safe, secure and confidential manner. Re-disclosure without additional resident consent or as permitted by law is prohibited. Unauthorized re-disclosure or failure to maintain confidentiality could subject you to penalties described in federal and state law.

IMPORTANT WARNING: This information is intended for the use of the Agency/Facility and may contain information that is privileged and confidential, the disclosure of which is governed by applicable law. If the reader of this document is not the intended recipient, or the employee or agent responsible to deliver it to the intended recipient, you are hereby notified that any dissemination, distribution or copying of this information is STRICTLY PROHIBITED.
