**Vision:** *We envision a region that actively ensures that all people living with HIV/AIDS have access to high quality care, free from stigma and discrimination, and where new HIV infections are rare.*

### **Mission:**

- Establish priorities & allocation of funds available under Ryan White CARE Act, Part A, based on: **documented needs of people living with HIV**, cost and outcome effectiveness, **priorities of the recipients of services**, and availability of other public and private resources.
- **Establish methods for obtaining input on community needs, priorities & satisfaction with services**
- Evaluate the administrative mechanism to ensure that resources are distributed effectively in the community according to the decisions made by the Council.
- Collaborate with state governments to develop Integrated Prevention and Care Plans for responding to HIV in our region, in a coordinated partnership with other planners and community members living with or affected by HIV disease.
