Vision: <i>We envision a region that actively ensures that all people living with HIV/AIDS have access to high quality care, free from stigma and discrimination, and where new HIV infections are rare.</i>
Mission: - Establish priorities & allocation of funds available under Ryan White CARE Act, Part A, based on: documented needs of people living with HIV, cost and outcome effectiveness, priorities of the recipients of services, and availability of other public and private resources. - Establish methods for obtaining input on community needs, priorities & satisfaction with services - Evaluate the administrative mechanism to ensure that resources are distributed effectively in the community according to the decisions made by the Council. Collaborate with state governments to develop Integrated Prevention and Care Plans for responding to HIV in our region, in a coordinated partnership with other planners and community members living with or affected by HIV disease.
