Parkrose Voters:

Thank you for electing me to the Parkrose School Board. It is an honor to serve you. Parkrose is filled with compassionate and hard working people.

Here is what I have accomplished in the last two years:

- Managed/Facilitated the Bond Oversight Committee
- Co-Facilitated the successful completion of all capital bond projects
- Provided oversight to ensure all capital project dollars were spent as directed by the voters and worked to ensure timely completion of projects while staying within budget
- Voted to create a comprehensive equity policy
- Voted to restore a full school year
- Worked to influence the highest and best use of our limited funding to produce the best academic outcomes possible
- Worked to control costs wherever possible
- Advocated for Parkrose with local and state officials

Parkrose is improving in nearly every academic measure at nearly every school. Our scores are improving and our graduation rates have increased dramatically. Unfortunately, we continue to be challenged by the State's inconsistent and insufficient funding. Our funding problem is exacerbated by a State managed benefits and retirement program that is financially unsustainable and out of control.

I encourage all Oregon voters to reach out to their state represented officials and ask them to:

- Invest in our future by prioritizing education funding
- Create a reliable revenue source to sustain education in the long term
- Fix the state's broken and financially unsustainable benefits and retirement programs

Parkrose is a vibrant and diverse neighborhood with real Portlanders. Let's work together to create a high-quality neighborhood with safe and academically successful schools for all our children.
