**CANDIDATE STATEMENT**

**Strategic thinking for our great city.**

I am a City Planner with extensive experience in land use, community development and conflict resolution as well as the leadership of civic/professional groups. I have worked with many cities, public agencies, institutions and the private sector on a wide range of planning/development initiatives.

I want to bring my **expertise, leadership and vision** to the Lake Oswego City Council as we need to take next steps regarding **strategic thinking**. We have established budget discipline and implemented infrastructure projects. What we need to do in the next term is address our public facilities, economic development, neighborhoods and annexation policy in a more strategic manner with vision.

- **Maintain budget/tax discipline and quality services.**
- **Upgrade roads and paths/trails.**
- **Think strategically about public facilities.**
- **Be proactive about economic development.**
- **Maintain neighborhood character.**
- **Balance property rights and environmental stewardship.**
- **Rethink annexation policy.**
- **Streamline L.O. Development Code.**

I am running a positive campaign that addresses what makes Lake Oswego great and how it can be better. I am a problem solver interested in moving the ball forward and getting things done. Thank you for your support.
