**Optional Information:**

I've lived in East County for many years. I am asking for your vote if you believe as I do that the City Council is entirely broken. We need new people on Council to stop the bickering and the endless focus on conspiracy theories.

I bring a business background and long term focus to the Council. I have accepted no endorsements because it is time for someone who has not already committed to voting with a block of other council candidates. I will consider every issue independent of personalities and without bias, focusing only on what is best for our entire town and our future. No other councilor or the Mayor will be able to pressure me to vote with them because I accepted their endorsement.

I do not intend to post signs or raise campaign contributions for this campaign. We have enough of that already. I know people read the Voter's Pamphlet; that should be enough in a city race.

I support a balanced budget for our City so that we aren't spending reserves every year. I do not know how anyone currently serving on the budget committee can expect to be on Council considering how long the budget has not been balanced. We are spending too much.

We shouldn't still be renting a City Hall after our original building was closed as unsafe. I will not vote in favor of a tax increase or new to build a City Hall. There is enough money already in the budget to pay off a loan.

I support Urban Renewal because the voters passed it and it's time for Council to respect that. Just get it done.

Lastly, our parks maintenance is being neglected. I will fight for that to change for the better.

Please Vote for Sunseri!
